Management Corporate Governance grade A language English abstract American spending on art events have not changed  
since the 1970s when the spending is adjusted to inflation Studies undertaken in the 1980 s indicated that attendance of  
classical music concerts have been on the decline Further the classical music concerts have faced dwindling government  
support since the 1980s Due to the above facts the symphony orchestras in the US have focused on ways of increasing the  
audience base The attendance picture of concerts nationally is that approximately 15% of the total population have attended  
at least one orchestra concert Knight Foundation 2002 The demographics of the attendance is mostly white over 65 years  
women and with incomes above 150 000 per year Knight Foundation 2002 The most important characteristic of the specific  
market of the symphony orchestras is the devotion of the subscription patrons of the symphony orchestra The integrated  
communication plan are Facebook and blogs primarily the use of social media as well as the existing Symphony Orchestra  
website The use of Facebook and blogs will be focused on the intensification and enhancement of the participation of  
Symphony Orchestra in social media through the development of a unified voice that publishes desirable content on the blog  
and on Facebook especially due to the limited budget of Symphony Orchestra Facebook page will entail the use of incentives  
for instance if a person clicked Like button they will get a discount code which they can apply when making purchase of  
tickets They will get massive amounts of information about the people who are performing The blogs will be optimized with  
key words and integrated into the Symphony Orchestra webpage as a means of boosting the ranking of Symphony Orchestra  
in natural search The blog will feature posts on the upcoming events as a means of provoking analysis and engagement on  
the performers composers and music Through the adoption of the plan it is estimated that after approximately 6 months the
