Israel Telephone Directory, 1990 **Retail Marketing** Sarah Montano, 2025-11-03 Retail Marketing offers an up to date and accessible approach that balances the key theories with real world industry practice to show how retailers are operating in today's complex business environment. It covers essential topics of retail marketing and management beginning with a history of retailing practices to understand the background behind retail's position within society. It then moves on to recent innovations and trends that are leading the field today. Supported by international examples throughout the textbook, it also examines topics such as strategy, customer experience, supply chains and merchandising to ensure students gain an understanding of the whole retail process. Written by the BBC's retail expert Sarah Montano, it also covers important discussions of ethics in retailing, sustainability considerations as well as multi-channel methods including the combined use of physical and digital channels in phygital retail. Real world examples from Cadbury, Tiffany and Co, Wilko and H M, Ginza Japan and vignettes from industry professionals and customers ensure students put their understanding of the theory into practice. Retail Marketing includes in-text learning features such as learning outcomes, a glossary and exercise questions. It is supported by online resources of PowerPoint slides, multiple choice questions, videos and interactive diagrams. This textbook is ideal for postgraduate students taking modules on Retail Marketing as part of their Retail or Marketing degrees.

Understanding Business Ethics Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08 Understanding Business Ethics Fourth Edition offers an impactful exploration into the realm of ethics in the global business environment. Authors Peter A. Stanwick and Sarah D. Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks: a global perspective, real world business cases, comprehensive ethics topics and a consistent theme linking each chapter. Whether it's uncovering the intricate relations between businesses and their stakeholders, discussing the effects of financial reporting or exploring the ethical implications of information technology, marketing, human resources and the natural environment, this textbook equips readers with a robust ethical framework for the business world. Additionally, the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions. This text is offered in Sage Vantage, an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto-graded assessments to drive student engagement and ensure accountability. Unparalleled in its ease of use and built for dynamic teaching and learning, Vantage offers customizable LMS integration and best-in-class support. Watch this video walkthrough and see how Vantage works.
