Paul Grainge,Catherine Johnson

Viral Challenge In The Us Promo:

The Routledge Companion to Advertising and Promotional Culture Emily West,Matthew P. McAllister,2023-04-04 This comprehensive second edition provides an updated essential guide to the key issues methodologies concepts debates and policies that shape our everyday relationship with advertising This updated edition takes a critical look at advertising and promotion during the explosion of digital and social media as well as with significant social and cultural shifts including the COVID 19 pandemic the rise of the Black Lives Matter movement the destabilization of democracies and rise of authoritarianism around the world and intensification of the climate crisis The book offers global perspectives on advertising and promotion with attention to issues of diversity and difference It contains eight sections Historical Perspectives on Advertising and Promotion Promotional Industries Advertising Audiences Advertising Identities Advertising and in Crisis

Promotion and Politics Promotionalism and Its Expansions and Advertising Promotion and the Environment With chapters written by leading international scholars working at the intersections of media and advertising studies this book is a go to source for scholars and students in communication media studies and advertising and marketing looking to understand the ways advertising has shaped consumer culture in the past and present

Pop Culture Literacies Mia Hood,2025-04-30 This book illustrates how young people engage with pop culture music TV films fashion dance video games memes and digital content in its many forms and outlines lessons that support them in engaging more actively critically and strategically Part One draws on qualitative research with young people as well as close analyses of pop culture phenomena to illustrate how young people already engage with pop culture on and offline This research demonstrates that young people interpret and respond to pop culture texts in sophisticated ways and highlights the potential for supporting and challenging them to do so in ways that are even more active critical and strategic Part Two presents lessons that teach young people how to adopt intentional interpretive stances in relation to pop culture texts identify and analyze hidden layers of story in these texts and ultimately expand and refine their interpretations and responses In the final chapter s lessons young people engage in a process of developing a multimodal autoethnography a form of narrative composition that explores the connections between the personal and the cultural The book provides options for teaching these lessons as standalone lessons for enmeshing them in standards aligned humanities curricula and for teaching them in sequence as a unit of study This book is ideal for teachers who want to better understand how their students are engaging in and making sense of the pop culture texts that saturate the digital world and to help them reimagine who they are in and out of that world

Sport, Advertising and Global Promotional Culture Steven J. Jackson,David L. Andrews,2025-02-07 This book explores the intersection of contemporary sport advertising promotional culture and wider society Arguing that advertising and promotional culture remain key driving forces in relation to social structures and systems that contribute to enduring patterns of economic and other forms of inequality this book examines how sport and related areas of social life continue to be transformed by these forces Presenting

in depth international case studies covering topics such as Nike's sign economies the sports gambling media complex sportswashing greenwashing radical politics in sport advertising sport and corporate nationalism and girls empowerment and transgender exclusion in sports this book sheds critical new light on some of the most important themes in the study of global consumer culture in the emerging era of surveillance capitalism Overall this book examines sport advertising through the lens of the circuit of cultural commodification including production representation consumption and regulation in order to provide insights into the formation complexities and contradictions of social identities commodities and brands This is fascinating reading for anybody with an interest in the sociology culture and politics of sport or cultural studies media studies and the wider politics and social significance of late stage capitalism *Proceedings of the ... Conference of the American Academy of Advertising* American Academy of Advertising. Conference,2002 Promotional Screen Industries

Paul Grainge,Catherine Johnson,2015-03-27 From the trailers and promos that surround film and television to the ads and brand videos that are sought out and shared promotional media have become a central part of contemporary screen life Promotional Screen Industries is the first book to explore the sector responsible for this thriving area of media production In a wide ranging analysis Paul Grainge and Catherine Johnson explore the intermediaries advertising agencies television promotion specialists movie trailer houses digital design companies that compete and collaborate in the fluid fast moving world of promotional screen work Through interview based fieldwork with companies and practitioners based in the UK US and China Promotional Screen Industries encourages us to see promotion as a professional and creative discipline with its own opportunities and challenges Outlining how shifts in the digital media environment have unsettled the boundaries of promotion and content the authors provide new insight into the sector work strategies and imaginaries of contemporary screen promotion With case studies on mobile communication television film and live events this timely book offers a compelling examination of the industrial configurations and media forms such as ads apps promos trailers digital shorts branded entertainment and experiential media that define promotional screen culture at the beginning of the twenty first century **F & S Index United States Annual** ,2007 **Fields' Virology** David Mahan Knipe,Peter M. Howley,2007
