[Podcast Journalism](#) David Dowling, 2024-03-19 Runner up 2025 Tankard Book Award Association for Education in Journalism and Mass Communication. Podcasting's stratospheric rise has inspired a new breed of audio reporting. Offering immersive storytelling for a binge listening audience as well as reaching previously underserved communities, podcasts have become journalism's most rapidly growing digital genre, buoying a beleaguered news industry. Yet many concerns have been raised about this new medium, such as the potential for disinformation, the influence of sponsors on content, the dominance of a few publishers and platforms, and at times questionable adherence to journalistic principles. David O'Dowling critically examines how podcasting and its evolving conventions are transforming reporting and even reshaping journalism's core functions and identity. He considers podcast reporting's most influential

achievements as well as its most consequential ethical and journalistic shortcomings emphasizing the reciprocal influences between podcasting and traditional and digital journalism Podcasting both as a medium and a business has benefited from the blurring of boundaries separating news from entertainment editorial from advertising and neutrality from subjectivity The same qualities and forces that have allowed podcasting to bypass the limitations of traditional categories expand the space of social and political discourse and provide openings for marginalized voices have also permitted corporations to extend their reach and far right firebrands to increase their influence Equally attentive to the medium's strengths and flaws this is a vital book for all readers interested in how podcasting has changed journalism *Delivering WOW* Anissa Holmes,2018-08-07 Delivering WOW is a blueprint for running and growing a dental practice Dr Anissa Holmes was sick of working too much and earning too little so she decided to do something about it After years of learning and experimentation she developed a simple high impact process to run and grow a dental practice that turned her office into a high profit practice with over 50 000 raving Facebook fans and a reliable team she can trust to handle anything that comes their way With this newly updated and expanded version of a book that helped thousands of dentists build more profitable and enjoyable dental practices Dr Holmes walks dentists through building a winning team maximizing profitability and reliably growing patient numbers without having to waste time and money on expensive and ineffective advertising methods If you're tired of feeling guilty stressed and frustrated by your practice and want to build one that allows you to make more work less and have a meaningful impact in the world Delivering WOW is the step by step plan for you **Brandweek**,2010-10
