Developing and Validating Test Items Thomas M. Haladyna, Michael C. Rodriguez, 2013-07-18 Since test items are the building blocks of any test learning how to develop and validate test items has always been critical to the teaching learning process As they grow in importance and use testing programs increasingly supplement the use of selected response multiple choice items with constructed response formats This trend is expected to continue As a result a new item writing book is needed one that provides comprehensive coverage of both types of items and of the validity theory underlying them This book is an outgrowth of the author's previous book *Developing and Validating Multiple Choice Test Items* 3e Haladyna 2004 That book achieved distinction as the leading source of guidance on creating and validating selected response test items Like its predecessor the content of this new book is based on both an extensive review of the literature and on its author's long experience in the testing field It is very timely in this era of burgeoning testing programs especially when these items are delivered in a computer based environment Key features include Comprehensive and Flexible No other book so thoroughly covers the field of test item development and its various applications Focus on Validity Validity the most important consideration in testing is stressed throughout and is based on the Standards for Educational and Psychological Testing currently under revision by AERA APA and NCME Illustrative Examples The book presents various selected and constructed response formats and uses many examples to illustrate correct and incorrect ways of writing items Strategies for training item writers and developing large numbers of items using algorithms and other item generating methods are also

presented Based on Theory and Research A comprehensive review and synthesis of existing research runs throughout the book and complements the expertise of its authors *Pennsylvania PSSA 8th Grade Reading and Writing Research and Education Association, 2009-09-22 Practice with REA and Pass the PSSA* REA's second edition of our Ready Set Go R Reading Writing test prep for the Pennsylvania System of School Assessment PSSA exam gets Pennsylvania students ready for this crucial high stakes test Specifically designed to boost essential reading and writing skills this test prep provides all the instruction and practice eighth grade students need to excel on this important exam Written in an easy to follow student friendly style it's perfect for classroom family or individual study Fully aligned with the Assessment Anchors adopted by the Pennsylvania Department of Education the review chapters cover every topic tested on the exam including word recognition inferences and conclusions main ideas literary analysis and writing and revising essays Numerous drills and review lessons throughout the book enhance student vocabulary and literary analysis skills Key tutorials reinforce writing skills and increase the reading comprehension abilities needed to succeed on the test Color icons highlight the key concepts questions and activities in each chapter A diagnostic Pretest pinpoints student strengths and weaknesses and a full length Posttest allows students to measure their progress and focus on areas in need of further study Our confidence building test tips help reduce test anxiety and boost test day readiness for this important high stakes exam Whether used in a classroom for home or self study or with a tutor this test prep gets Pennsylvania students ready for their important high stakes exam set to take on new challenges and helps them go forward in their studies **Books in Print Supplement**, 2002 *Forthcoming Books* Rose Army, 2003 **Pennsylvania Educational Leadership**, 2003 **PA PSSA 8th Grade Reading & Writing 2nd Ed.** The Editors of REA, Dana Passananti, 2013-01-01 Practice with REA and Pass the PSSA REA's second edition of our Ready Set Go Reading Writing test prep for the Pennsylvania System of School Assessment PSSA exam gets Pennsylvania students ready for this crucial high stakes test Specifically designed to boost essential reading and writing skills this test prep provides all the instruction and practice eighth grade students need to excel on this important exam Written in an easy to follow student friendly style it's perfect for classroom family or individual study Fully aligned with the Assessment Anchors adopted by the Pennsylvania Department of Education the review chapters cover every topic tested on the exam including word recognition inferences and conclusions main ideas literary analysis and writing and revising essays Numerous drills and review lessons throughout the book enhance student vocabulary and literary analysis skills Key tutorials reinforce writing skills and increase the reading comprehension abilities needed to succeed on the test Color icons highlight the key concepts questions and activities in each chapter A diagnostic Pretest pinpoints student strengths and weaknesses and a full length Posttest allows students to measure their progress and focus on areas in need of further study Our confidence building test tips help reduce test anxiety and boost test day readiness for this important high stakes exam Whether used in a classroom for home or self study or with a tutor this test prep gets Pennsylvania students ready for their important high stakes exam set to take on new
