Charisma and Christian Life ,2000 Religious Periodicals and Publishing in Transnational Contexts

Anja-Maria Bassimir, Oliver Scheiding, 2017-06-23 This volume explores the interrelationship of religion and print practices and sheds new light on the history of religious publishing in a globalizing world and its changing media consumption Periodicals have recently become of interest to scholars in book history and religious studies as they try to determine how magazines journals newsletters and newspapers meet the diverse spiritual demands of believers conditioned by an increasingly translocal and pluralistic religious landscape in modern America and beyond Existing publications in this field have produced new insights into the multilayered nineteenth and twentieth century publishing enterprises as well as the numerous actors behind them often crossing ethnic gender and national boundaries This volume focuses instead on the socio economic conditions institutional organizations action networks and communicative environments that shape religious publishing and its medial apparatus in transnational contexts In doing so the authors study the material devices business structures and cultural networks needed for circulating words and images that nourish specific formations of religious adherence

Global Pentecostal and Charismatic Healing Candy Gunther Brown, 2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world s two billion Christians and is growing rapidly This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing Contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait The collected essays illumine local variations hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources This is the first book of its kind Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation This volume s distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from North America Europe and Africa Read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization

pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways Testing Prayer Candy Gunther Brown,2012-05-14 In Candy Gunther Brown s view science cannot prove prayer s healing power but what scientists can and should do is study prayer s measurable effects on health If prayer benefits even indirectly then more careful attention to prayer practices could impact global health particuarly in places without access to conventional medicine **Unbound** Neal Lozano,John Loren Sandford,2010-08 As a teacher on deliverance Neal Lozano knows that many believers struggle with the same sin areas time after time Yet victory can be as simple as tapping into the potent power of the gospel By focusing on Jesus and his work rather than on the intimidating aspects of evil spirits readers can reset their mindset about their spiritual struggles In Unbound Lozano shows readers how to do just this He also shows them how to find and close any doors they may have opened to evil influence and consequently Satan s underhanded strategies Balanced and full of hope Unbound is a practical thorough and easy to follow guide to deliverance and freedom It also includes practical instruction on praying for others to be set free **God Chasers Daily Journal** Tommy Tenney,1999-07 Meet Tommy Tenney God chaser Join him in his search for God Follow him as he ignores the maze of religious tradition and finds himself not chasing God but to his utter amazement caught by the one he had chased **House of His Choosing** Jim Wies,1999 What is your understanding of the foundation of today s Church The insights in this book will help you view the Church and how it works in a whole new way **Church of God Evangel** ,2000 Bowker's Complete Video Directory 2001 ,2001 **Prayers that Heal the Heart, Revised and Expanded** Dr. Mark Virkler,Patti Virkler,2021-04-01 Prayer counseling that breaks every yoke by Mark Patti Virkler Have you ever prayed for healing of a heart wound and found that you experienced only partial healing or perhaps no healing at all If so this book brings you hope The heart has its own language that we must use if we want to bring healing to it The language of the mind *Bibliographie du Québec* ,2001 Liste des publications qu b coises ou relatives au Qu bec tablie par la Biblioth que nationale du Qu bec **Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature** John McClintock,James Strong,1885 *Cyclopedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock,1885 *Cyclopædia of Biblical, Theological, and Ecclesiastical Literature* John McClintock,James Strong,1890 **The Ruins and Excavations of Ancient Rome** Rodolfo Amedeo Lanciani,1897 Croyances et légendes du moyen âge Alfred Maury (historien.),1896 **Croyances et légendes du moyen âge** Maury,1896 **Croyances et légendes du moyen âge; Nouvelle édition** Louis-Ferdinand-Alfred Maury,1896 Croyances et légendes du moyen age Louis-Ferdinand-Alfred Maury,1896
