APAIS 1994: Australian public affairs information service , **Technology Review** ,1989 Basic Income in Australia and New Zealand J. Mays,G. Marston,J. Tomlinson,2016-04-08 Basic income is an innovative powerful egalitarian response to widening global inequalities and poverty experiences in society one that runs counter to the neoliberal transformations of modern welfare states social security and labor market programs This book is the first collective volume of its kind to ask whether a basic income offers a viable solution to the income support systems in Australia and New Zealand Though often neglected in discussions of basic income both countries are advanced liberal democracies dominated by neoliberal transformations of the welfare state and therefore have great potential to advance debates on the topic The contributors essays and case studies explore the historical basis on which a basic income program might stand in these two countries the ideological nuances and complexities of implementing such a policy and ideas for future development that might allow the program to be put into practice regionally and applied internationally Selling Change Robert E. Smith,2018-06-16 A global auto manufacturer rapidly flattens its leadership team to achieve unprecedented success A retailer on the ropes financially manages to turn a profit in less than a year A fast casual restaurant has multiple cross country cases of sick patrons but sales bounce back a year later How did they do it By effectively selling the need for change to the people and teams in their organizations As an agile change leader you will own multiple disruptive strategic and operational challenges on your watch Will you be able to sell your team on the need for change Will you be able to generate the levels of buy in and commitment required to transform your organization across multiple often misaligned stakeholder groups In Selling Change change leader and former management consultant Robert E Smith PhD provides a practical and sustainable playbook to tackle one of the most difficult challenges facing leaders today generating commitment and buy in to organizational change Selling Change shows how leaders can prepare for and transition through operational shifts by generating highly engaged commitment to change The principles of effective commitment and buy in are distilled into the 2IsC model impact influence and consistency that lays out a practical and road tested process for crafting commitment focused change communications Smith outlines approaches leaders must embrace to overcome emotional behavioral and mental resistance to change by addressing the following questions Why change Why now Why you Why your change Without clear answers to these questions organizational transformation efforts flounder Effective change leaders have transformed organizations in a variety

of sectors including health care manufacturing retail and technology redistributing billions of dollars of value Building on leading research lessons learned and proven frameworks this book gives change leaders everything they need to lead their teams through the journey of creating the next version of their organizations allowing them to create the future rather than being disrupted by change resistance
