Understanding Strategic Management

Anthony E. Henry, 2018. *Understanding Strategic Management* is the ideal introduction to strategy for students in one-semester courses who require an informative yet practical approach. The book's four-part structure defines the concept of strategy before using the overarching strategic framework of analysis, formulation, and implementation to show how strategy can be used to develop a sustainable competitive advantage in business. Making use of chapter maps and learning objectives to guide students through the complexities of the subject, the author conveys the realities of strategic management through a diverse selection of international and contemporary examples. *Strategy in Focus* boxes use examples from popular media to show how strategic management issues appear in the headlines we read every day. A longer integrated *Case Example* closes every chapter, tying in multiple strategic challenges that affect businesses of all kinds. Review and discussion questions then

Delivering World-Class Customer Experience the Mercedes-Benz Way Joseph A. Michelli, 2015-12-08 A powerful and inspiring look inside the tent of Mercedes-Benz that will help you learn how large companies make big changes in short timespans. Guy Kawasaki Chief Evangelist of Canva and author of *The Art of the Start* 2.0 I can't remember having read a more compelling example of how great luxury brands aren't just made but are nurtured. *Driven to Delight* offers essential lessons on the direct and undeniable relationship between how much you value and respect your customers and how they reward you for that consideration. Mike Jackson Chairman, CEO and President, AutoNation. Joseph Michelli's latest book is a masterful roadmap for transforming the relationship between leaders, employees, and the customers they serve. Tom Rath, author of *StrengthsFinder 2.0* and *Are You Fully Charged?* The revolution in customer care that MBUSA is currently undertaking is rivaled only by the revolution that Mercedes began with the invention of the automobile. Dr. Michelli's book provides the most comprehensive look at how MBUSA is undertaking and succeeding at this transformative initiative. Alex Gellert, CEO, Merkley Partners. Kudos to Steve Cannon and Joseph Michelli. Steve is the rare CEO who is brutally honest in a public forum about his own iconic organization's growing pains. Joseph's ability to present a compelling case study is unparalleled. If *Driven to Delight* can't convince you of the bottom line benefits of balancing service and technology to differentiate from your competition, your days are numbered. Doug Lipp, international business consultant and bestselling author of *Disney U*. Once again, Joseph Michelli gives us a glimpse into one of the world's great brands and customer experiences. Joseph helps us understand how Mercedes-Benz leadership transformed and elevated sales and service experiences. Additionally, he takes the reader on a journey to examine their own organization and determine how to apply these principles and lessons in their own business. This is an important read for leaders who want to grow their businesses by improving customer lives. Jeanne Bliss, President, CustomerBliss and bestselling author of *Chief Customer Officer 2.0* and *I Love You More Than My Dog*. Mercedes-Benz's story demonstrates the leadership and commitment that's required to transform customer experience within a large organization. The book does a great job of capturing how the company engaged
