Potential Impact of Digital Currencies on Electronic Payments and Monetary

Policy in the Eurozone Diana Breidenbach, 2022-07-07 Bachelor Thesis from the year 2021 in the subject Economics Finance grade 1.0 language English abstract As we move forward incidents such as the Covid 19 pandemic demonstrate the importance of having access to multiple means of payment. With the growth of digital payment options the topic of e money and its economic impact has increasingly come into academic focus. The aim of this bachelor thesis is therefore to summarize the current state of research on digital currencies and to provide new insights into their impact on payments and monetary policy. This study concentrates mainly on the European market with a particular emphasis on the Eurozone. Using recent literature and academic studies a literature review examines the impact of digital currencies on monetary policy. Further this paper develops and demonstrates new insights about digital currencies in a quantitative empirical study. The quantitative analysis was chosen in order to obtain measurable values for comparison. From this the following research question can be derived: How could digital currencies potentially impact electronic payments and monetary policy in the Eurozone. Following the introduction chapter two provides the reader with a comprehensive and in depth examination of theoretical foundations. To this end the terms currency and money are clarified and different payment systems are discussed. In addition business models based on companies are presented as well as monetary policy and the ECB are explained in more detail. After the theory section the third chapter covers the approach the empirical method and the data collection and analysis procedures.

Subsequently chapter four presents the research results to provide an answer to the research question The fifth chapter deals with the discussion including hypothesis testing The final section completes the thesis with a conclusion *Fancy Meeting You Here* Julie Tieu,2023-11-07 For the rom com fans you can never go wrong with a Julie Tieu book Buzzfeed Opposites attract when an always the bridesmaid florist and a grumpy caterer mix business with pleasure in this swoony romantic comedy in the vein of 27 Dresses from Julie Tieu author of The Donut Trap and Circling Back to You Every single one of Elise Ngo's close girlfriends Rebecca Jesse and Beth is getting married within the same few months and every single one of them has asked her to be both bridesmaid and florist Though it's a lot for her to juggle the work and exposure is a boon to her struggling flower shop The stakes are high at Rebecca's high profile wedding where the guests are mostly political connections of Rebecca's parents Desperate for the event to go off without a hitch Elise enlists the help of an outside caterer who turns out to be Ben Yu Rebecca's elusive younger brother Though Ben is prickly and aloof he offers Elise much needed business designing flowers for his mom's campaign fundraisers and Elise begins to see there's more to Ben than his gruff and handsome exterior But their romance takes off as the political campaign ramps up complicating their relationship with unforeseen consequences Now always the bridesmaid Elise must fight for what she wants to finally get her own happily ever after

Mayra Nicky Gonzalez,2025-07-17 A haunting exploration

of female friendship desire and memory set against the sultry backdrop of Florida's swamplands It's been years since Ingrid has heard from her childhood best friend Mayra a fearless rebel who fled their hometown of Hialeah a Cuban neighborhood just west of Miami for college in the Northeast But when Mayra calls out of the blue to invite Ingrid to a weekend getaway at a house in the Everglades she impulsively accepts From the moment Ingrid sets out for the house danger looms The directions are difficult she's out of reach of cell service and as she drives deeper into the Everglades the wet maw of the swamp threatens to swallow her whole But once Ingrid arrives Mayra is in many ways just as she remembers with her sharp tongue and effortless seductive beauty still thumbing her nose at the world Before they can fully settle into the familiar intimacy of each other's company their reunion is spoiled by the reemergence of past disagreements and the unexpected presence of Mayra's new boyfriend Benji The trio spend their hours eating lavish meals and exploring the labyrinthine house which holds as much mystery and danger as the swamp itself Indoors and on the grounds time itself seems to expand and Ingrid begins to lose a sense of the outside world and herself Against this disquieting setting where lizards dart in and out of porches and alligators peek up from dark waters Gonzalez weaves a propulsive unforgettable story about the dizzying power of early friendship and the lengths we'll go to earn love and acceptance even at the risk of losing ourselves entirely
