*Cyberpsychology in the Tech-Fed Virtual World* Dr. V. Sharmila, For a wide variety of reasons colleges and universities have increased their online course offerings These programs including both formal degree programs as well as non credit and leisure learning options rely on students to engage with their faculty members as well as other learners to maximize their class experiences Virtual learning however can be a difficult space to create community and resulted in the need to explore how community and culture can be constructed in the virtual tech fed world The model presented here consists of five key elements that program administrators instructional designers and teaching faculty must all take into consideration as they develop their courses

*Beyond Time* Stephen St. John, 2020-04-08 Beyond Time begins blasting off for the stars and ends an affair of the heart all the while bringing us closer to home Mankind has ventured to every corner of the galaxy No one expects another inch No one expected Andre Martin lab rat genius rude social nerd His plan build a ship powerful enough to separate time and space visit explore and explain the Big Bang No one likes Andre No one trusts Andre Permission denied mission cancelled until impending planetary disaster reinstates priority under new leadership prominent psychologist Karen Wellchild independent entitled and hiding a desire to meet Jesus on return Andre begins a rascal and ends up a vulnerable sweetheart Karen won't cross any line until she finds genuine love Her friend Michael robust and adventuresome melts in the arms of the most unlikely rebel onboard The journey does not go well The clock refuses to spin backward Computer meltdown also informs the crew that Karen secretly used dating software to match each of the 240 twenty six year olds onboard with one perfect mate A love boat of partners start looking around Michael's girlfriend comes up with a plan And who doesn't love a scary dinosaur tale or a ghost ship mystery to solve How about losing the entire universe and hoping to find it again What more joyful excursion could there be than riding imagination from one end of the universe to another from the beginning of time to the next beginning of time Hop onboard Andre and Karen are waiting
