this investment will save you so many hours Book 4 Crafting Is Like You Felted Cat Caves Sarah Breggin, 2013-02-22  
Includes step by step instructions through felting a cat cave including flowers grass flower buds and advanced blocking  
These cat caves are made directly from unspun carded wool using the wet felting process There is no knitting involved This project is for the felter who wants to take on a large multi day project If you have never done resist felting before and want an introduction on a smaller scale I would recommend my Felted Bowls tutorial first This book has been a 5 star product on Etsy for 7 years now available on Amazon Review This is my first purchased tutorial and I already know I am happy with it This tutorial is beautifully done and very very thorough My first early self attempt at a cat cave was a total flop Ended up looking like zombie clothing Lol my second one was ok but too big and not the gift quality that I wanted to give Now with this tutorial I have exactly what I need to be successful And I now know what I did wrong on my own If you ve ever made or attempted to make one of these you know how time consuming and expensive these can be It is worth it to me to have these step by step directions to get it right I should ve bought this sooner Thank you for sharing the work you put into this  
WelshTerrierMom This is the best pattern It has so many pictures to guide you Very descriptive language too easy to read So far I have done the flowers and the grass They are so pretty I almost think I might just put them in a vase or make a shelf that is just flowers and grass Or I might just put some in my car I drive a VW Beetle with a flower vase by the steering wheel I m looking forward to finishing the whole project but it will take me a while and I just wanted to review this before I forget This is the best Highly recommended pattern Shoshanah very detailed great descriptions and photos While I have been needle felting for a while I have done limited wet felting my sister saw someone s cat cave and asked if I could make one I told her i d give it a try I am pretty pleased with the result from this tutorial Some great tips and tricks that definitely helped and while my first cave might not have been perfect it stands up and looks pretty decent Whitney Coolidge The instructions in these tutorials are extremely detailed with photos to illustrate all of the points I am completely confident that I will be able to make the items without any problem at all that s how good the descriptions are Shirley This is a great tutorial I purchased it when I was in the middle of a cat cave project and my existing instructions left a bit to be desired My questions were all answered and some great tips cECILY BAILEY Even for someone who had never felted before was this project do able due to a lot of pictures and very detailed description The descriptions are better than the books I read so far Definitely worth the money tinekeernste The tutorial was available to download immediately after purchasing I ve read through it quickly The directions are clear sometimes humorous and easy to follow There are pictures to show you what you should be seeing at every step of the process This is a wonderful tutorial and it is obvious that a lot of time and effort was spent creating it Great job and thank you so much Brit Ritchey This is undoubtedly the most comprehensive and clear set of instructions I ve ever bought thank you so much Ann xx Very detailed instructions that were easy to follow Delighted with the end product despite this being my first try at wet felting the cave has turned out just like the one in the photo Jane Johnston I thought the price a bit high for a

pattern as it were but this is fifty detailed and photo illustrated pages that take you every step through Nicely put together totally worth it and I can't wait to get started Thanks for putting this together spirula **Etsy** Heather Hill,2016-06-12 Many people begin to realize that they can easily make a few hundred dollars extra monthly income by selling their own crafts on Etsy Not only that Etsy has become so big and popular that it's more than possible to have a thriving business that can pay for all expenses and support entire families long term And everyone can achieve that from the comfort of their home But of course one has to know what exact steps to take to make it happen especially as a beginner It took me many months of trial and error to figure out how to learn what you are going to learn in this step by step practical guide that I have created for you And you can be months ahead today if you purchase **Etsy How To Turn Your Handmade Hobby Into A Thriving Business** now You are going to learn Exact steps on how to create your Shop simple and easy Insider tips on how to increase sales on Etsy right away How to market and sell your products without being salesy How to create your Social Media Pages today and drive sales How to create your photography simple and easy for your Etsy Store 5 Etsy myths you believe that can ruin your Business **Ultimate Guide for Online Reselling Strategies and Resources for Beginners** Naomi M Watts,2024-11-13 Ultimate Guide for Online Reselling Strategies and Resources Navigating the world of online reselling can feel overwhelming at first but it can also be incredibly rewarding Having dabbled in this space myself I've learned a few tricks along the way that I'd love to share This guide will not only cover some effective strategies but also provide you with a collection of over five hundred items that are currently trending on platforms like eBay and Etsy Understanding the Market Before diving into specific items it's crucial to understand the marketplace Each platform has its unique audience eBay is often associated with auctions and collectibles while Etsy caters to handmade and vintage goods Knowing your target audience can significantly impact your success Research and Tools One of the first steps I recommend is conducting thorough research Tools like Google Trends and eBay's completed listings can offer insights into what's selling well I often use software like Terapeak for eBay to analyze market trends and pricing strategies This helps me determine which items are worth sourcing Sourcing Profitable Items Here's where the fun begins I've compiled a list of over five hundred items that are currently seeing success These range from vintage clothing to unique home decor Here are a few categories to consider 1 Vintage Clothing Thrift stores and garage sales can be gold mines Look for unique pieces that have character Brands like Levi's and vintage band tees often do well 2 Handmade Crafts If you have a knack for crafting consider making jewelry or home decor items I once sold handmade candles on Etsy and they were a hit 3 Collectibles Items like action figures coins or vintage toys can attract collectors I've had success with old comic books there's a niche market for them 4 Home Goods Unique kitchen gadgets or eco friendly products are gaining popularity I've seen bamboo utensils fly off the virtual shelves 5 Electronics Refurbished gadgets especially older models like vintage cameras or game consoles can be quite profitable Marketing Your Items Once you have your items effective marketing is key High quality photos are essential I always try to take pictures in natural light

and showcase my items from different angles Descriptive and engaging titles and descriptions can make a significant difference Social media can also be a powerful tool for promotion I often share my listings on Instagram and Pinterest where visuals play a significant role Collaborating with influencers or joining online communities can help increase visibility Customer Service and Feedback Don t underestimate the power of good customer service Responding promptly to inquiries and being transparent about shipping times can lead to positive reviews I ve had customers return just because I was friendly and helpful which is so rewarding Staying Updated Lastly keep an eye on market trends The online selling landscape changes rapidly Following blogs joining Facebook groups or subscribing to newsletters can keep you informed about what s hot and what s not In conclusion while the world of online reselling can seem daunting it s all about understanding your niche sourcing the right items and effectively marketing them With a bit of patience and persistence you can turn this venture into a profitable side hustle or even a full time job Happy selling [Learn to Crochet with Me the CrochetGuru](#) Bobbie
