Encyclopedia of Women in Today's World Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world *Modern Tools in a Modern World* United States. Congress. House. Committee on Small Business. Subcommittee on Health and Technology, 2015 *Agile Application Security* Laura Bell, Michael Brunton-Spall, Rich Smith, Jim Bird, 2017-09-08 Agile continues to be the most adopted software development methodology among organizations worldwide but it generally hasn't integrated well with traditional security management techniques. And most security professionals aren't up to speed in their understanding and experience of agile development. To help bridge the divide between these two worlds this practical guide introduces several security tools and techniques adapted specifically to integrate with agile development. Written by security experts and agile veterans this book begins by introducing security principles to agile practitioners and agile principles to security practitioners. The authors also reveal problems they encountered in their own experiences with agile security and how they worked to solve them. You'll learn how to Add security practices to each stage of your existing development lifecycle. Integrate security with planning requirements design and at the code level. Include security testing as part of your team's effort to deliver working software in each release. Implement regulatory compliance in an agile or DevOps environment. Build an effective security program through a culture of empathy openness transparency and collaboration *Strategic Management* John A. Parnell, 2013-01-15 Balancing theory with practice this fully updated fourth edition of John A Parnell's acclaimed text continues to provide detailed accessible coverage of the strategic management field. Taking a global perspective the text addresses concepts sequentially from external and internal analysis to strategy formulation strategy execution and strategic control. To help readers build their analytic skills as they master course concepts Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest cases largely drawn from The Wall Street Journal and Financial Times illustrate the key role of strategic management in the United States and around the world. Ideal for the capstone strategic management course Strategic Management is appropriate for a range of undergraduate and graduate courses Hacking Digital: Best Practices to Implement and Accelerate Your Business Transformation Michael Wade, Didier Bonnet, Tomoko Yokoi, Nikolaus Obwegeneser, 2021-09-28 Improve your business performance through digital transformation. ### **The Dialectic of Digital Culture** David Ardit, Jennifer

Miller,2019-08-01 This edited collection analyzes the role of digital technology in contemporary society dialectically While many authors journalists and commentators have argued that the internet and digital technologies will bring us democracy equality and freedom digital culture often results in loss of privacy misinformation and exploitation This collection challenges celebratory readings of digital technology by suggesting digital culture's potential is limited because of its fundamental relationship to oppressive social forces The Dialectic of Digital Culture explores ways the digital realm challenges and reproduces power The contributors provide innovative case studies of various phenomenon including metoo Etsy mommy blogs music streaming sustainability and net neutrality to reveal the reproduction of neoliberal cultural logics In seemingly transformative digital spaces these essays provide dialectical readings that challenge dominant narratives about technology and study specific aspects of digital culture that are often under explored Check out the blog for more <http://blog.uta.edu/digitaldialectic>
