

# How to Set Up a Nurse Mentorship Program

**1** Set goals for your nurse mentor program.

**2**

**Introduce** the idea of a nurse mentoring program to your organization.

**3** Collect excellent nurse-mentor candidates.

**4**

**Initiate** a matching system.

**5** Launch the program. Introduce mentors to mentees.

**6**

**Measure** your success after the chosen time period.

**7** Continuously assess and show leadership support.

# Nursing Mentoring Program Guideline

**Elaine Jefford, Lyn Ebert**

## **Nursing Mentoring Program Guideline:**

**Global Applications of Culturally Competent Health Care: Guidelines for Practice** Marilyn "Marty" Douglas, Dula Pacquiao, Larry Purnell, 2018-07-02 This book is unique in its global approach to applying the Guidelines for Culturally Competent Nursing Practice that were recently endorsed by the International Council of Nurses ICN and distributed to all of its 130 national nursing associations The purpose of this book is to illustrate how these guidelines can be put into clinical practice and to show how practitioners from different countries with diverse populations can implement them The first chapter provides the conceptual basis for Culturally Competent Health Care and describes how the guidelines were developed Each of the next 10 sections presents a chapter describing a specific guideline followed by three or four chapters with detailed case studies to illustrate how the guideline was implemented in a particular cultural setting All case studies follow a similar format and are written by international authors with clinical expertise and work experience in the culture being presented This book will be useful for advanced practice nurses healthcare students clinicians administrators educators researchers and those who provide community health or population based care Guidelines for the Development of a Mentoring Program Canada. Official Languages & Employment Equity Branch, 1995 This document is designed to act as a practical guide providing support to interested departments and agencies in developing and implementing their own programs The report consists of eight sections introduction defining mentoring main features and benefits for each of the three parties involved guidelines for developing mentoring main stages in developing the program main stages in implementing the program ways to monitor and evaluate the program and recommendations for implementing mentoring Guidelines for Screening Care Providers Kay C. McKinney, 1999 *Contemporary Nursing, Issues, Trends, & Management, 6* Barbara Cherry (Nurse), Susan R. Jacob, 2013-01-01 Contemporary Nursing Issues Trends Management 6th Edition prepares you for the rapidly evolving world of health care with a comprehensive yet focused survey of nursing topics affecting practice as well as the issues facing today's nurse managers and tomorrow's nurse leaders Newly revised and updated Barbara Cherry and Susan Jacob provide the most practical and balanced preparation for the issues trends and management topics you will encounter in practice Content mapped to the AACN BSN Essentials emphasizes intraprofessional teams cultural humility and sensitivity cultural competence and the CLAS standards Vignettes at the beginning of each chapter put nursing history and practice into perspective followed by Questions to Consider While Reading This Chapter that help you reflect on the Vignettes and prepare you for the material to follow Case studies throughout the text challenge you to apply key concepts to real world practice Coverage of leadership and management in nursing prepares you to function effectively in management roles Career management strategies include advice for making the transition from student to practitioner and tips on how to pass the NCLEX RN examination Key terms learning outcomes and chapter overviews help you study more efficiently and effectively Helpful websites and online resources provide ways to further explore each chapter

topic Coverage of nursing education brings you up to date on a wide range of topics from the emergence of interactive learning strategies and e learning technology to the effects of the nursing shortage and our aging nursing population Updated information on paying for health care in America the Patient Protection and Affordable Care Act and statistics on health insurance coverage in the United States helps you understand the history and reasons behind healthcare financing reform the costs of healthcare and current types of managed care plans A new section on health information technology familiarizes you with how Electronic Health Records EHRs point of care technologies and consumer health information could potentially impact the future of health care Updated chapter on health policy and politics explores the effect of governmental roles structures and actions on health care policy and how you can get involved in political advocacy at the local state and federal level to help shape the U S health care system The latest emergency preparedness and response guidelines from the Federal Emergency Management Agency FEMA the Centers for Disease Control CDC and the World Health Organization WHO prepare you for responding to natural and man made disasters     Nursing Education Perspectives ,2008     *Global Midwifery Mentorship* Elaine Jefford,Lyn Ebert,2025-09-22 The book begins by exploring the history of mentoring and its relationship to education and practice Theories and models of mentorship education and leadership within the context of midwifery will be discussed along with the importance of critical thinking and reflection The editors use the lens of global mentoring to focus on how mentoring in midwifery has developed and been implemented in 15 countries from North and Central America Europe Asia Africa and Australasia Each chapter explores regulation professional accountability education leadership and career pathways in the country in question This international text draws on the perspectives of Australian mentors mentees healthcare organisations and academics to highlight the complexities of mentorship in real work midwifery practice and includes a chapter discussing how to take cultural considerations into question The final chapters draw on the previous discussion to make recommendations that will support midwifery to implement and sustain a successful and supportive mentorship program for the next generation of midwives In this book authors often refer to midwives as women to reflect the gendered nature of subordination of midwifery While most midwives globally are women providing care to women not all midwives in Mexico or globally identify as women We acknowledge and celebrate the diverse identities of midwives as this is the best way to build an environment that guarantees enabling sexual and reproductive care for all people who need midwives Further the term First Nations which is used is a collective term that refers to Indigenous Australian and Aboriginal and Torres Strait Islander peoples of Australia First Nations peoples will refer to themselves by any of these terms and may also identify through language groups This term is used in acknowledgement that First Nations peoples have the right of self determination to identify however they choose to do so This book is an invaluable read for midwifery students educators and practitioners     **Contemporary Nursing - E-Book** Barbara Cherry,Susan R. Jacob,2013-08-07 Contemporary Nursing Issues Trends Management 6th Edition prepares you for the rapidly evolving world of health care

with a comprehensive yet focused survey of nursing topics affecting practice as well as the issues facing today's nurse managers and tomorrow's nurse leaders. Newly revised and updated, Barbara Cherry and Susan Jacob provide the most practical and balanced preparation for the issues, trends, and management topics you will encounter in practice. Content mapped to the AACN BSN Essentials emphasizes intraprofessional teams, cultural humility, and sensitivity, cultural competence, and the CLAS standards. Vignettes at the beginning of each chapter put nursing history and practice into perspective, followed by Questions to Consider While Reading This Chapter that help you reflect on the vignettes and prepare you for the material to follow. Case studies throughout the text challenge you to apply key concepts to real-world practice. Coverage of leadership and management in nursing prepares you to function effectively in management roles. Career management strategies include advice for making the transition from student to practitioner and tips on how to pass the NCLEX-RN examination. Key terms, learning outcomes, and chapter overviews help you study more efficiently and effectively. Helpful websites and online resources provide ways to further explore each chapter topic. Coverage of nursing education brings you up to date on a wide range of topics from the emergence of interactive learning strategies and e-learning technology to the effects of the nursing shortage and our aging nursing population. Updated information on paying for health care in America, the Patient Protection and Affordable Care Act, and statistics on health insurance coverage in the United States helps you understand the history and reasons behind healthcare financing reform, the costs of healthcare, and current types of managed care plans. A new section on health information technology familiarizes you with how Electronic Health Records (EHRs), point-of-care technologies, and consumer health information could potentially impact the future of health care. Updated chapter on health policy and politics explores the effect of governmental roles, structures, and actions on health care policy and how you can get involved in political advocacy at the local, state, and federal level to help shape the U.S. health care system. The latest emergency preparedness and response guidelines from the Federal Emergency Management Agency (FEMA), the Centers for Disease Control (CDC), and the World Health Organization (WHO) prepare you for responding to natural and man-made disasters.

*Health, Mental Health, and Safety Guidelines for Schools* American Academy of Pediatrics, 2005. Easy to use manual supports school administrators in creating sound policy and health promotion. Practical and easy to use, this manual is a comprehensive and authoritative resource that healthcare professionals can use to support school administrators in creating sound policy and practice in health promotion and injury prevention.

**Pain Management** Richard S. Weiner, 2001-12-20. This authoritative reference, the Sixth Edition of an internationally acclaimed bestseller, offers the most up-to-date information available on multidisciplinary pain diagnosis, treatment, and management. *Pain Management: A Practical Guide for Clinicians* is a compilation of literature written by members of The American Academy of Pain Management, the largest multidisciplinary society of pain management professionals in North America, and the largest physician-based pain society in the United States. This unique reference covers both traditional and alternative approaches.

and discusses the pain of children as well as adult and geriatric patients It includes approximately 60 new chapters and each chapter is written to allow the reader to read independently topics of interest and thus may be viewed as a self contained study module The collection of chapters allows an authoritative self study on many of the pressing issues faced by pain practitioners Regardless of your specialty or medical training or whether you are in a large hospital or a small clinic if you work with patients in need of pain management this complete reference is for you AARCTimes ,1991 Nursing Times, Nursing Mirror ,2001 **Official Guide to Undergraduate and Graduate Nursing Programs** National League for Nursing,2004 The Official Guide to the Undergraduate and Graduate Nursing Schools offers you the most complete up to date information available on two year three year four year and graduate nursing schools **The Journal of Health Administration Education** ,2002 Guide to Nursing Management and Leadership Ann Marriner-Tomey,2004 The new seventh edition of this popular text has been completely revised and updated to include the very latest strategies for improving your nursing leadership and management skills Book jacket **Rx for the Nursing Shortage** Julie Schaffner,Patti Ludwig-Beymer,2003 You understand first hand how the nursing shortage affects healthcare quality patient satisfaction and employee satisfaction You want to know what you can do today to improve the situation in your organization Rx for the Nursing Shortage A Guidebook can help It goes beyond theory and into the practical reality of what it takes to recruit and retain the caring professionals you want at your patients bedside Written by two nurse executives with more than 50 years of experience between them this no nonsense book provides strategies for recruiting and retaining nurses describes the important roles nurse managers play in nurse employee satisfaction and highlights the qualities that make an organization attractive to nurses It also includes important information about legislation related to foreign nurses nursing education recruitment retention and work life quality Mentoring in Nursing Sheila C. Grossman,2007-02-19 2007 AJN Book of the Year Winner Designated a Doody's Core Title Mentoring in Nursing will help inspire a more cohesive flexible and empowered nursing force whether in academia the hospital unit or health care facility Featuring Definitions and components of the mentoring process Models and strategies classic multiple and peer mentoring precepting coaching or shadowing models Mentor and mentee perspectives Best practices in nurse mentoring including multicultural competency Mentoring evaluation tools It is incumbent then on all of us in the helping professions to be cognizant of the need for continued support and guidance of the elders but the elders must also listen and learn from the young and the young must help each other if the profession's covenant with the public is to be kept From the Foreword by Grayce Sills PhD RN *Current Issues in Nursing* Perle Slavik Cowen,Sue Moorhead,2006 Current Issues in Nursing provides a forum for knowledgeable debate on the important issues that nurses face today Through the past six editions it has provided information and viewpoints of developments that continue to impact the delivery of health care and the nursing profession This book provides the opportunity to analyze conflicting viewpoints and to synthesize one's own thoughts on the demands being made on the

nursing profession and the difficult issues affecting today's health care delivery Comments from users and reviewers have continued to praise the book for its in depth discussion of critical issues solid organization of material and encouragement of independent thinking Offers comprehensive and timely coverage of the issues affecting nursing education and practice Provides insights and analyses of over 100 well known and respected nursing leaders Each section is presented in a consistent format beginning with an overview chapter followed by a debate chapter and concluding with several viewpoint chapters to present varying views of the topics Presents provocative and often controversial discussions in the viewpoint chapters to encourage the reader to think critically about the issues Updated table of contents improves the flow of material A new section on violence prevention and care includes nine new chapters on cutting edge topics such as terrorist events homeland security nursing in wars bioterrorism and much more Six new chapters focus on the overall quality improvement of nursing practice Three new chapters examine the evolution and expansion of the nursing profession Two new chapters address the definition and role of nursing in the current health care setting Two new chapters take a contemporary look at HIPAA and the current health care cost trends Two new chapters explore educational trends developing in the nursing world A new chapters on employment and management issues including dealing with unions health care systems and patient to staff ratios
