Objectivity Polity Key Concepts Philosophy:

Politics: Key Concepts in Philosophy Iain MacKenzie, 2009-07-24 An introduction to political philosophy for the student encountering this key philosophical subdiscipline for the first time

Politics: The Key Concepts Lisa Harrison, Adrian Little, Ed Lock, 2015-02-11 Politics The Key Concepts is an up to date and broad ranging introduction to the terms that lie at the heart of political discourse Entries are drawn from areas such as political theory international politics political science and methodology As well as explaining core established principles this informative guide explores some of the more complex topical and contested concepts from the world of politics Concepts covered include Capitalism Class Identity Institutionalism Referendum Marxism Pluralism Postmodernism Socialism Social Constructivism In an accessible A Z format with helpful cross referencing and suggestions for further reading Politics The Key Concepts is an invaluable reference for all students of politics international relations and related courses

Key Concepts in Politics and International Relations Andrew Heywood, 2015-07-07 Concepts have a particular importance for students of politics and international relations Political argument often boils down to a struggle over the legitimate meaning of terms and enemies may argue fight and even go to war each claiming to be defending freedom upholding democracy or supporting justice The problem is that words such as freedom democracy and justice have different meanings to different people so that the concepts themselves come to seem problematic This book provides an accessible and comprehensive guide to the major concepts encountered in political analysis Each term is defined clearly and fully and its significance for political argument and practice is explored The text has been updated and expanded to take account of the increasing influence of globalization on politics and now features 70 additional concepts Renowned for its lively engaging style and user friendly approach the second edition is an invaluable companion to the study of politics and international relations

The Saturday Review of Politics, Literature, Science and Art, 1857

Objective Idealism, Ethics, and Politics Vittorio Hösle, 1998 Not content with merely telling us how to find a way back to objective idealism Hösle exhibits his philosophy in a wide ranging series of essays on topics ranging from the greatness and limits of Kant's practical philosophy to the moral ends and means of world population policy from moral reflection and the decay of institutions in the Enlightenment and Counter Enlightenment to a reflection on philosophical foundations of a future humanism in our world of overinformation
