Dear Ms. Naughton,

One line

I am writing in response to your recent ad in the *Sunday New York Times*. As a graduate of Impressive College with a dual degree in computer programming and theatre, I believe I would be the ideal Google employee. I have therefore enclosed my résumé for your perusal.

One line

While there are many adept programmers and many charismatic people, thanks to my double major, I am that rare combination—both highly computer literate and at ease in all situations. My internship at the Globe Theatre, during which I both conducted tours and updated their website, has provided me with the kind of international experience that will make me even more valuable to Google, the most international of companies.

Two lines

I would welcome the opportunity to discuss your needs and my skills in more detail. I can be reached at the above address or at mary.smith@gmail.com. Thank you for your consideration.

Three or four lines

Sincerely yours,
