## Tips To Follow The 30-Day Walking Plan

1. Slow is a stroll - approx 25 minutes/mile. Use this easy pace to warm up.
2. Moderate is a normal walking pace - 20 minutes/mile. You can still talk as you walk.
3. Fast is walking at a brisk pace where you're pushing yourself - 1.7 minutes/mile.
4. Complete sessions in one go or split into 2.
5. Repeat a week if you find it too hard.
6. If the plan is too easy increase the intensity of your walks with intervals or hills.

**Ahnwee Days** William E Burleson,2024-10-01 Life is not going as planned for Sybil Voss Growing up in a small town on the Great Plains she had one goal to get out as soon as she could She succeeded moving to New York after college and building a reasonably happy life But now she's back the sole caregiver for her elderly father who suffers from media induced psychosis and can only communicate through TV sitcoms But Sybil's making the best of it running her antique business New York Tiques serving as mayor since no one else ran and organizing a town festival Ahnwee Days Problem is things are not going well for her tiny town of Ahnwee What was once a hopping little city with actual businesses and families is now slowly becoming a ghost town The remaining 200 residents have to put up with the insult of a lake so polluted that it glows in the dark a wind turbine on the edge of town that occasionally golfs cars into the rough and the ever present smell of pig shit from the factory hog

farm on the hill How could it get worse It can and does The pig farmer says that the land the town sits on is his and he wants to expand his manure pond At the same time a nearby casino may also have a claim to the land and they want it for an RV park That's not all Green Systems Power a wind turbine factory wants the town's land for parts storage and they've bought a county commissioner to make it happen With her friends a lonely widowed yarn store owner and a midget sorry little person beef jerky king with anger management issues Sybil is fighting back As Sybil says Sure Ahnwee is just an antique shop strip joint and meth lab but it's OUR antique shop strip joint and meth lab Along the way we meet a mayor of a rival town with unclear motives a nerdy strip club owner and his girls and an existential and suicidal town pastor Our heroes hold a town meeting and a press conference and they appeal to the county board all with the same result humorously dismal failure The only thing left to try is for Sybil to run for and win a seat on the county board How can that fail *The Sound of Holding Your Breath* Natalie Sypolt, 2018 The residents of The Sound of Holding Your Breath could be neighbors sharing the same familiar landscapes of twenty first century Appalachia lake and forest bridge and church cemetery and garden diner and hair salon They could be your neighbors average workaday each struggling with secrets and losses entrenched in navigating the complex requirements of family in all its forms Yet tragedy and violence challenge these unassuming lives A teenage boy is drawn to his sister's husband an EMT searching the lake for a body A brother a family and a community fail to confront the implications of a missing girl A pregnant widow spends Thanksgiving with her deceased husband's family Siblings grapple with the death of their sister in law at the hands of their brother And in the title story the shame of rape ruptures more than a decade later Accidents and deaths cons and cover ups abuse and returning veterans Natalie Sypolt's characters wrestle with who they are during the most trying situations of their lives *Giant Robot*, 1999 *Stanford*, 1993 *Country Home*, 2003 *Race Walking Revolution - a Race Walking Specific Training Log* Tim Seaman, 2019-01-30 We all know we should keep a training log It allows you to keep track of your successes and perhaps more importantly learn from your mistakes Some of us scribble down our workouts in an inconsistent manner while many of us do not get beyond the new season's resolution to keep better track of our workouts Now with Race Walking Revolution A Race Walking Specific Training Log you have a simple template based system to record all of the pertinent details of your training and hopefully be inspired along the way Our template includes space for you to record your workouts for 52 weeks of the year as well as inspiring photographs of some of the best race walkers in the world Our training log is based on two time Olympian Tim Seaman's personal training log It's one that he perfected over a career that includes 47 US National titles The log contains room for you to record workouts 7 days a week for 52 weeks of the year There is space allowing you to record many specific aspects of your daily training as well as containing an area for more general notes each day In addition each week contains an area for any other notes that might not be captured within the template Additionally full color photographs of elite race walkers are included every week to inspire you At the end of the log we include space for monthly totals race results and a personal records PRs
