I'm not a meditating type person but for only one minute Yeah I can do that. Julie Mayerson Brown author of top selling contemporary women's fiction novels I have just read *The Balance Equation* and I realized how the principles outlined would have been so useful to me when I was a high ranking executive at a major movie studio. In that kind of position it was almost necessary to be consumed by my job and therefore sacrificing and short changing so many other aspects of my life. The ideas put forth in the book would have helped my life in a much more healthy, happy and self-satisfying manner. Barry London Vice Chairman of Paramount Pictures retired. Our limited definition of success has created a culture of rudderless ambition. *The Balance Equation* is an invaluable resource a paradigm shift that trades antiquated notions of success and guides us to truly examine our lives so we can discover new definitions that include not only greater wealth but also optimum health, peace of mind, meaning, purpose and service to others.
