Obiee Training Guide:

Oracle BI Enterprise Edition Dashboard and Report Best Practices Amy Mayer, Kevin McGinley, 2009-01-26 BI

Consulting Group has developed what is recognized as the most complete most comprehensive set of dashboard and report design best practice standards ever developed specific to Oracle Business Intelligence formerly Siebel Business Analytics These best practices have not been created simply to provide a standard instead they are based on the most important litmus test what standards actually cause dashboards to be used and what best practices of dashboard and report development provide insight into the business rather than just reports This guide was started with the Siebel Analytics 7.8.x platform before Oracle acquired Siebel. The current version of the guide reflects Oracle's 10.1.3.3.x releases of Oracle Business Intelligence Enterprise Edition OBIEE. Expect this guide to be enhanced and revised with subsequent major releases of OBIEE.

Oracle Business Intelligence and Essbase Solutions Guide Rosendo Abellera, Lakshman Bulusu, 2016-11-30

This book highlights the practical aspects of using Oracle Essbase and Oracle Business Intelligence Enterprise Edition OBIEE as a comprehensive BI solution. It explains the key steps involved in Oracle Essbase and OBIEE implementations. Using case studies, the book covers Oracle Essbase for analytical BI and data integration using OBIEE for operational BI including presentation services and BI Publisher for real time reporting services. Self-service BI in terms of VLDB scalability, high performance, stability, long lasting, and ease of use that saves time, effort, and costs while maximizing ROI.

Oracle Business Intelligence with Machine Learning Rosendo Abellera, Lakshman Bulusu, 2017-12-18

Use machine learning and Oracle Business Intelligence Enterprise Edition OBIEE as a comprehensive BI solution. This book follows a when to, why to, and how to approach to explain the key steps involved in utilizing the artificial intelligence components now available for a successful OBIEE implementation.

Oracle Business Intelligence with Machine Learning covers various technologies including using Oracle OBIEE R Enterprise, Spatial Maps, and machine learning for advanced visualization and analytics. The machine learning material focuses on learning representations of input data suitable for a given prediction problem. This book focuses on the practical aspects of implementing machine learning solutions using the rich Oracle BI ecosystem.

The primary objective of this book is to bridge the gap between the academic state of the art and the industry state of the practice by introducing you to machine learning with OBIEE. What You Will Learn: See machine learning in OBIEE. Master the fundamentals of machine learning and how it pertains to BI and advanced analytics. Gain an introduction to Oracle R Enterprise. Discover the practical considerations of implementing machine learning with OBIEE.

This Book Is For Analytics managers, BI architects, and developers, and data scientists. The Training Design

Manual Tony Bray, 2006 This A to Z manual of instructional design for trainers of all experience levels guides users through

a step by step process leading up to the launch of a successful training course *A Practical Guide to Training and Development* Michael Moskowitz,2008-07-23 To stay ahead of the competition today's organizations must invest in ongoing training that continuously improves their employees' knowledge and skills *A Practical Guide to Training and Development* is a comprehensive resource that offers a theoretical, strategic and practical foundation of the entire training process. The book outlines a step by step approach for assessing, designing, delivering and evaluating training. **Active Training** Melvin L. Silberman, Elaine Biech, 2015-04-16 The all time bestselling training handbook updated for new technologies and roles. *Active Training* turns instructional design on its head by shifting the emphasis away from the instructor and on to the learner. Comprehensively updated to reflect the many developments in the field, this new fourth edition covers the latest technologies and applications, the evolving role of the trainer and how new business realities impact training. Advancing new evidence-based best practices for new trainer tasks, skills and knowledge. Up-to-date theory and research inform the practical tips and techniques that fully engage learners and help them get the most out of sessions. While updated workplace examples and revised templates and worksheets help bring these techniques into the classroom quickly. You'll gain insight into improving training evaluation by using Return on Expectations (ROE). Learn how to extend the value of training programs through transfer of learning and develop fresh, engaging methods that incorporate state-of-the-art applications. *Active Training* designs offer just the right amount of content, the right balance of affective, behavioral and cognitive learning, a variety of approaches, real-life problem solving, gradual skill building and engaging delivery that uses the participants' expertise as a foundation for learning. This book is the classic guide to employing Active Training methods effectively and appropriately for almost any topic. Learn how the trainer's role has changed. Engage learners through any training delivery method. Inspire collaboration and innovation through application. Overcome the challenges trainers face in the new business environment. *Active Training* methods make training sessions fun, engaging, relevant and most importantly, effective. Participants become enthusiastic about the material and view sessions as interesting challenges rather than as means to fulfill requirements. To bring these widely endorsed methods into your training repertoire, *Active Training* is the complete practical handbook you need. *The Trainer's Handbook* Garry Mitchell, 1998 Here you can find information and guidance on virtually every aspect of training, from basics like planning and writing lesson plans to the challenges of training management or training in specialized fields.
