Out Shadows Tangled Tiffany Snow:

Out of the Shadows Tiffany Snow, 2015-12-15 Ivy Mason is no stranger to trouble though so far she's always managed to outrun or outsmart it. Now a nasty man-made virus and an FBI manhunt have her desperate for a cure and on the run for her freedom. Even her romance with British secret agent Devon Clay may have deadly consequences placing her squarely in the crosshairs of a shadowy international assassin. Vega Devon is determined to take Vega out but first he must make sure beautiful Ivy is out of danger. When she escapes FBI custody the couple rekindles their passion and sets off on a pulse-pounding adventure across the United States and around the globe. En route Ivy and Devon discover new truths about their nemeses' revelations that will test the limits of their love. In this thrilling conclusion to the Tangled Ivy trilogy Ivy Mason learns that the path to justice and love is more complicated and fraught with danger than she ever could have imagined.

Life Detonated Kathleen Murray Moran, 2017-10-10 A raw, somber emotional journey that concludes with hope and a measure of forgiveness. Kirkus Reviews: The gripping true story of Kathleen Murray, a young mother whose life was changed on September 11, 1976, when her husband Brian Murray, a NYPD bomb disposal expert, was killed by a terrorist's bomb. It details her childhood in the Bronx, her journey out of poverty with Brian's help and her own determination to take care of her two young sons after Brian's death. While Kathleen heals, she launches a lawsuit against the city of New York to find out the real reason the bomb exploded and at the same time begins a relationship through letters with one of the hijackers, Julie Busic. All the while Kathleen becomes one of the founders of Survivors of the Shield, a group that advocates for and provides support and assistance to the spouses and children of New York City police officers killed in the line of duty. **Frank**
