**Outdoor Spaces : Landscape Design for Today's Living** Maguire, Jack,1987     *Play Out* Learning through Landscapes,2014-05-16 Do you know how to manage physical risks and encourage children to go out and test their own boundaries without fear or failure How can you create a stimulating outdoor area that offers irresistible learning opportunities for young children Does your outdoor learning environment support young children s emerging life skills of confidence perseverance creativity decision making and leadership Play Out is an inspirational accessible and pragmatic set of resources aimed at all those involved with improving the use design and management of outdoor spaces in early years settings It provides a step by step guide for planning and implementing physical changes to outdoor environments in order to facilitate high quality learning and play experiences Physical and outdoor play has a major impact on the intellectual emotional and social development of young children Drawing on Learning through Landscapes experience in working with thousands of early years settings this book provides the tools for settings to assess what they already have work through what their needs are and inspires them to take the next steps forward to make physical and practical improvements to their outside area Featuring downloadable resources with a comprehensive and fully adaptable audit tool plus activities and case study resources to support your work the handy toolkit provides Step by step guidance on project management and how to plan improvements to your space Tools for engaging your whole school community Practical activity ideas to involve children and adults A wide range of case studies to illustrate how real life settings have improved their outdoor space This full colour illustrated resource will make it as easy as possible for managers practitioners and parents to plan and manage an outdoor improvement project involving children at the core of the work and linking the process and the improved outside environment to the aims of the Early Years Foundation Stage     **Green** Ula Maria,2020-04-02 A great book if you are seeking small space inspiration Evening Standard Whether you dream of a Mediterranean oasis a rose filled retreat or a tropical jungle Green will help you to make the most of your space proving that small can indeed be beautiful House Garden book picks of the year 2020 Can a really small space ever be turned into a beautiful garden Fashionable garden designer Ula Maria shows how even the tiniest balcony or courtyard can become something special Featuring numerous case histories and practical advice on storage paving furniture and lighting this is an excellent reference source for anyone with limited space and big dreams Daily Mail best books of the year 2020 Garden designer Ula Maria takes us on a safari through small but perfectly formed oases to inspire your very own Eden Elle Deco Urban garden design has inspired books ever since the Victorians started to green their sprawling new neighbourhoods But where Maria s Green differs is that it focuses on the possibilities of growing in small spaces rather than the restrictions The 22 gardens she has brought together by various designers erupt with potential In Green urban gardens so often prone to a twinge of pity from those who tend larger more rural spaces become deeply aspirational Alice Vincent Daily Telegraph A must for apprehensive city gardeners and for

anyone wanting to make the most out of their outdoor space no matter how small it might be Flicking through it feels almost as enjoyable and relaxing as sitting in the garden Gardens Illustrated The first book from rising star Ula Maria tackles the perennial challenge of how to create a garden in a small space Whether you dream of a Mediterranean oasis a rose filled retreat or a tropical jungle Green will help you to make the most of your space proving that small can indeed be beautiful House Garden Spending so much time outdoors in my childhood made me think of a garden as a natural extension of my home an inseparable part of everyday life It wasn't until I moved into a rented property in the city that I felt an undeniable urge to make the most of the little exterior space that we had and re evaluate it In time creating outdoor spaces that people truly care for no matter how small or large became much more rewarding than perfecting any indoor space Many say that a home is a true reflection of self but I believe it is the garden where personalities and relationships with our surroundings truly blossom Ula Maria In Green RHS Chelsea Gold Medal and Best In Show 2024 winner Ula Maria takes a completely fresh look at creating a garden in whatever outdoor space is available be it a roof terrace balcony small back yard or patio Perfect for first time gardeners the book approaches creating a garden as if decorating a room exploring how to work with scale colour and texture to choosing the plants that will thrive in an urban space At the heart of the book are 22 genuinely small and innovative gardens with a dazzling range of ideas to copy from a small backyard garden using reclaimed timber evergreens and grasses to a rental rooftop terrace in the heart of the city where a cottage style garden has been created in simple containers Using low maintenance plants and affordable furniture lighting and containers Green offers simple solutions that don't involve major structural work but will quickly result in a stylish and hugely rewarding urban sanctuary

The book was shot by award winning photographer Jason Ingram **Environments for Outdoor Play** Theresa Casey, 2007-03-27 Theresa's book is full of lots of inspiring practical how to go about it ideas coupled with thought provoking and sometimes challenging comments and views The range of ideas and information contained in this book will go a long way to support the development of flexible imaginative yet not prescriptive play spaces that contribute to supporting children's play A very readable and worthwhile publication to add to your resources Muriel Young Grounds for Learning Learning Through Landscapes This practical book helps the reader plan design and manage the kinds of settings that afford children the opportunities to carry out the wide range of self directed activities that are so important to their development It's ideal for community development workers the organizers of after school programs children's hospital staff and groups of caring parents Roger A Hart Director of the Children's Environments Research Group The Graduate School of the City University of New York This readable and usable book is full of advice and ideas which will take every professional nearer to understanding the way to provide opportunities for children which the children themselves would want and enjoy A necessary addition to the bookshelf for all interested in the subject PlayRights Journal online journal of the International Play Association Refreshing and insightful One of the best things about this book is that Casey offers us a fresh perspective on our

role While we may long for a world where we opened the door and sent children outside to play we are faced with the reality that for a variety of reasons these opportunities are no longer occurring naturally in our communities It is incumbent upon us now to recreate these essential childhood opportunities This will take intentional thoughtful informed design Casey s book gives us some great starting points A must read PlayRights Magazine I like the attention to individuality children s perspectives and community The author brings a strong playwork perspective to considering outdoor spaces which early years practitioners considering the design of new or refurbished areas should find valuable It s crucial to free up our thinking about playful spaces and this book brings a refreshing focus on working from children s motivations for play using playful values such as choice spontaneity freedom and meaning making to drive thinking being careful not to over design and the organic growth of a space into a place through the play that occurs Nursery World Casey s extensive research and years of practice in award winning play services are very much in evidence in the various techniques and ideas that she describes in this publication a great resource for any play setting considering setting up or developing thier outdoor play space SOSCN News Update If you are daunted but excited by the challenge of developing your outdoor spaces to meet the needs of all children this book is an excellent resource Early Years Update Exciting spaces to play are vital if we are to provide children with challenging flexible inclusive and stimulating opportunities to learn develop and have fun together This book provides readers with ideas for developing play environments that will meet the needs of the children in their care It illustrates how improving the play environment also offers a better more positive way of dealing with a number of issues from inclusion to playground management and the need to promote physical activity It includes clear frameworks for designing play environments case studies showing examples of how play environments can be developed ideas and activities which lead to interesting designs with the participation of the children practical examples illustrations research evidence showing the importance of good play environments The book is aimed at practitioners and managers in all early years and children s play settings and students on education early childhood child care and playwork courses It is also very relevant to playground designers landscape architects and community education and development workers
