## **Paper Shadow Puppet Patterns:**

**Practical Puppetry A-Z** Carol R. Exner, 2005-09-08 Puppetry is an exciting flexible malleable art form that can engage the creative forces of children or adults Puppets can not only tell a story they can be used to enhance the curriculum present an idea or a concept in a compelling way or teach any number of necessary skills Children and adults presenting a puppet play are given a sense of their own inventive power This reference work offers an A to Z view of working with puppets It covers everything from the basic strategies of advertising and marketing puppet productions to assembling the puppets out of household materials such as paper bags cereal boxes or gloves to the more elaborate sculpting of armatures Stages curtains and props are also discussed along with the history of puppetry Numerous illustrations give a visual of many of the finished products This work concludes with an annotated bibliography and index

**Storytelling with Puppets** Connie Champlin, 1998 In this latest revision of *Storytelling With Puppets* Connie Champlin has polished themes and fine tuned sections to meet today's ever changing programming environment paying special attention to literature based instruction and multicultural themes

*Shadow Puppets in Color* Louise Cochrane, 1972 Three traditional shadow plays accompany directions for making shadow puppets in color and a shadow theater

*Worlds of Shadow* David Wisniewski, 1996-11-15 The Wisniewskis codirectors of the acclaimed Clarion Shadow Theatre have modernized and simplified the techniques of the ancient art of shadow puppetry and created this easy step by step guide After a brief overview of light and screen options the authors show you how to introduce concepts of light and shadow to students Stage directions puppet patterns scripts projected scenery ideas and a full range of astounding but readily achieved special effects help you quickly master any performance from simple songs and rhymes to full blown stories and plays The special effects use such common materials as wax paper and colored plastic and no art skills are needed Suitable for the novice as well as the specialist the guide has chapters on intermediate and advanced techniques for those who desire a more varied and complex production
