Paradisi Escape Paradisi Chronicles Paradisi Exodus Volume 1:

Echoes in the Glass Cheri Lasota, 2015-08-25 This book earns five stars from me The writing was compelling the characters complex and the story masterfully told Sharon Hughson I was completely swept up by the history the suspense the surprises along the way and the two beautiful love stories I couldn't put it down Tamara Ingram This is an OMG blew me out of the water pun intended kind of book I am only on page 178 out of 274 And I seriously paused and waited a few minutes before picking up my jaw off the floor This book It's amazing so far and I can't wait to finish it Amanda Kiebusch Finnian bears the scar of an unspeakable crime Tiria hides the pain of a terrible betrayal When all their secrets are laid bare will the truth rip them apart or forever silence the echoes of the past Seventeen year old Finnian Bell has been on the run for years but he finally has a chance to rebuild his life while restoring an abandoned lighthouse on the Oregon Coast Tiria Lucas the lightkeeper's daughter is still reeling from the pain of an event that has shattered her innocence Fear and bitterness have turned her heart from Finnian but he is determined not to let her go The lighthouse harbors dark secrets of its own When Finnian and Tiria uncover the story of two teens hidden in the tower back in 1935 they discover a shocking connection that bridges time and death Echoes in the Glass is half contemporary half historical with enough mystery romance and lighthouse lore to ignite your imagination A masterfully woven tale of two time periods brought together in the mystery of an old lighthouse The characters are endearing and the plot kept me turning the page for more Well done GypsyGirl We get thrown some unexpected twists in both stories and at one point I could almost feel my heart breaking It's a very bittersweet story that gave me one hell of a book hangover and left my heart a wee bit sore ColourpopME I loved the blend of historical and contemporary fiction along with the unique setting and the very small touches of paranormal and mystery If you're looking for an atmospheric read with a unique flare then Echoes in the Glass might be for you Michelle In Libris Veritas [Sideris Gate](#) Cheri Lasota, 2016-07-30 Sideris Gate Book 1 of the Paradisi Exodus Series Genre Near Future Scifi Apocalyptic Earth Colonization First Contact The last ship to leave A new galaxy awaits And time is running out The last ship to leave Earth is in lockdown and controlled by the corrupt Challenge Command Chief Solomon Reach and his Reacher crew hatch an insane plan to take back the ship First order of business survive Second order of business launch the ship and make it to Sideris Gate the wormhole that will deliver them to the planet New Eden in the Andromeda galaxy If only it were that easy If Solomon fails in his mission Challenge Command will leave three thousand of his crew to die on an apocalyptic Earth The Paradisi Chronicles Universe In the last decades of the twenty first century ten families seeking to escape an increasingly devastated Earth focus their power and wealth on constructing spaceships that will allow a select few to leave Earth and colonize the world they call New Eden Here on their new home in the Paradisi System these Founding Families hope to avoid the environmental and political disasters that were destroying Earth But they find that the world they claim for their own is already inhabited and the Ddaerans although human in their appearance possess abilities that the Founders and their

descendants find both intriguing and frightening AboutThe Paradisi
Chronicles is an open source multi author scifi universe set in a fictional planetary system in the Andromeda galaxy Built by seven founding members of the group Paradisi Chronicles has grown by leaps and bounds as more and more authors continue to explore 200 years of history spanning the flight from an apocalyptic Earth to the settling and expansion of the Paradisi System Walter Raleigh's History of the World and the
Historical Culture of the Late Renaissance Nicholas Popper,2022-12-22 Imprisoned in the Tower of London after the death of Queen Elizabeth in 1603 Sir Walter Raleigh spent seven years producing his massive History of the World Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed Nicholas Popper uses Raleigh s History as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance From Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe s intellectual and political regimes More than a mere study of Raleigh s History of the World Popper s book reveals how the methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England
