

Example 3rd Grade Reading Response: Paragraph 4

I think the one thing the author wants me to know is that when my family may be having problems I can be of help by obeying them and not fussing, disturbing, and/or annoying them. I liked this book because the author chose strong, powerful, descriptive words that made gross, imaginative pictures in my mind. Like in her lunch scene at school, "something cool and slimy running down her face", and at her dinner scene at home, "One edge of her meat was covered with tiny bumps." I recommend this book to good readers who enjoy good long lasting chapters*.

Silver, John R. Brunsting, Terry Walsh, 2008 Math Tools Grades 3-12 presents a broad collection of mathematics instruction tools that promote active in-depth learning and help ensure that all students meet high standards. The authors, experts with years of experience in mathematics education, combine the research on learning styles with 64 classroom tested tools and show teachers how to use them to differentiate instruction and meet the needs of all students. Organized around four mathematical learning styles: mastery, understanding, self expressive, and interpersonal, this resource also covers lesson design and assessment using the math tools **Teach Writing Well** Ruth Culham, 2018 Ask great writers what the key to writing well is and they will tell you revision. Author Ruth Culham, both a successful writer and writing teacher, understands the challenges elementary teachers face when teaching writing and revision and now shares her knowledge in Teach Writing Well. How to Assess Writing, Invigorate Instruction, and Rethink Revision. Divided into two parts, Culham's book provides ways to teach that are both accessible to the teacher and student. You will find techniques to assess writing that are practical and results driven. Inside you'll discover Culham's traits of writing and how to use them to read and assess student work. Ways to guide revision decisions using these traits as common language. How to address challenges students may face within the different modes of writing: narrative, expository, and persuasive. Strategic lessons to teach the writer that scaffold students towards making their own craft decisions. A chapter on mentor texts which can be used to model traits and key qualities for your students. Teach Writing Well pulls best practices together and shows writing with fresh eyes **Report** Rochester (N.Y.).
