Roses and Emeralds: A High School NA Reverse Harem Dark Fantasy Bully Romance Rachel Angel, 2019-09-27 When I received a royal decree from Queen Jade of the Emerald Realms to attend the Wyvern All Boys Academy I thought it was a prank pulled by my friend William who apprentices with me at the Blacksmith. There was no way I could attend such an elite school just for kings to be. And I am certainly not a boy but a girl. But it was a Royal Decree and if I don't obey the Decree there was a threat of death to me and to all I hold dear. To keep them safe. To keep me from losing my head I packed up what little belongings I had and enrolled at Wyvern All Boys Academy. Everything at Wyvern School for Boys was meant to intimidate. Being the only girl at a school of incredibly handsome boys especially the Four Princes was intimidating. Not to mention the cutthroat competition that literally cuts students from the school. I'm stuck in a hard place either get killed by defying the Royal Decree and also get everyone I cared for killed. Or stick it out at Wyvern School for Boys despite all the bullying and cutthroat games Wyvern has in store for me. Of course there is no choice I must survive Wyvern School for Boys or die trying. Did I mention this is a school for Dragons too? I just have to watch out for the fire. Not just from Princes who are as hot as they are cruel but from the dark forces that seem to threaten all of Wyvern. *Roses and Emeralds* is book 2 of the Cruel Princes of Wyvern Series for mature teens and up 17 and is a paranormal dark fantasy bully romance reverse harem that will contain steamy and scorching scenes, dark fantasy elements and consensual sex. This is a high school New Adult series.

[Virginity in Young Adult Literature after Twilight](#) Christine Seifert, 2015-01-27 Around 2005 something surprising happened in young adult literature. YA books became obsessed with presenting characters who wanted to have sex but couldn't at least not without losing something vital to their identity. Since the publication of *Twilight* the YA market has been flooded with books that feature naive virgins finding true love. While some YA novels do present nuanced depictions of sex and of healthy sexual relationships the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests. In *Virginity in Young Adult Literature after Twilight* Christine Seifert

looks at an alarming trend in YA novels Labeling this phenomenon abstinence porn Seifert argues that these novels that fetishize virginity are harmful to readers Like pornography such works reduce female characters to objects whose sexual acts are the sole expression of their identities Chapters in this book examine paranormal dystopian and contemporary romance paying particular attention to recurring virginity themes or tropes The book also provides an antidote by showing how some sex positive teen novels provide more empowering messages to readers Organized by genre the books were selected for this study based on their popularity with teens Exploring how messages about virginity are sustained and repeated from text to text this book also calls out key reader reactions to demonstrate how they are responding to these messages Featuring a list of discussion questions Virginity in Young Adult Literature after Twilight will be a valuable resource for teachers librarians parents and mature young adult readers The Journal of Education ,1890 **Rocked by Romance** Carolyn
