Parish Church Treasures Greatest Collection:

Parish Church Treasures John Goodall, 2015-12-08 An elegantly illustrated guide to the largely unrecognized treasures of England's remarkable parish churches the supreme treasury of English vernacular art and memory **THE RECORD BOOK OF WORLD RECORDS- 96. English - England** Official World Record Team, 2023-04-23 The world of literature is excited about the arrival of the first book of world records to set five records at the same time but there is another amazing achievement to note This book has managed to enter the Top 10 of the most translated texts of humanity in its first edition as can be seen in the same WIKIPEDIA which will soon have to integrate this new achievement something extremely rare in the industry of edition and more in the books of world records that so far most translations were in a maximum of 36 languages so that many languages have for the first time a book of world records worldwide or on the continents The last book to enter this ranking took 80 years to complete which shows how difficult it is to secure a place in this select group However the first book of world records managed to enter the Top 10 in its first edition which is an impressive feat that has left many literary experts speechless Moreover this book also managed to be the third in the list of most translated books in the world and the most translated e book in the world These achievements testify to the global reach of this work which was translated into 328 different languages in its first edition covering 100% of the countries of the world The OFFICIAL WORLD RECORD association responsible for this impressive achievement demonstrates its ingenuity and ability to internalize itself in the publishing industry This organization is one of only two international record keeping associations capable of registering records globally while the other is a fully private company Obtaining its recognition means obtaining a unique and very special prestige and global category that only the few and the best can achieve or aspire to have in the world In short the first book of world records to set five records at the same time in a single book has managed to enter the Top 10 of the most translated texts of mankind in its first edition an impressive achievement which underlines its importance And its global reach in the world of literature and for everyone to have the opportunity to buy it in their native language sales will be made through a global book site such as AMAZON This book is a real gem for anyone interested in world records and literature and a testament to human ingenuity and creativity in achieving extraordinary achievements across the globe The OFFICIAL WORLD RECORD association is a recognized organization committed to its mission of recording and recognizing world records The approval of a notarial deed by the College of Notaries of the European Union and its recognition as an NGO in the United States and Spain are proof of the organization's seriousness and commitment The association has a notarial act approval from the College of Notaries of the European Union which makes it an official and recognized body in Europe This act has been approved by the rest of the associations of notaries in the world through a process called apostille carried out in The Hague which makes it the only organization of global registers that is not motivated by partisan or economic interests like any private company would do In addition the priorities of the organization are to improve the social inclusion of people
