

# THE OUTSIDERS: DISCUSSION GUIDE #3

Encourage critical thinking and support your students' literary development by asking questions during reading. Here are some questions you can ask your readers to engage them in a discussion.

## CHAPTERS 9-10

### Comprehension:

- What does Ponyboy find before the rumble?
- There are different present signs that figure together in the rumble. How is Tom (Shepard's) sign different from Ponyboy's sign?
- What is Paul's lesson? What is the connection between him and Danny?
- What group wins the rumble?
- What are the effects of the injury Ponyboy suffers in the rumble?
- What happens when Danny learns about Johnny's death?

### Text Analysis:

- Ponyboy understands that in his neighbourhood, "growing up... meant going up to the old people." However, the older think this will happen to him and Danny. Why doesn't Ponyboy like that? Is it because he is Ponyboy's parent that neither the men (Danny) will become "old people"?
- An **epitome** is a universal message expressed throughout a work of literature. Who are the people between Danny and Paul? How they respond to the theme of possibility (between different social classes)?
- An **allusion** is an implied or indirect reference, especially in literature. Johnny's last words to Ponyboy are an allusion: "What does the say, son?" What does this say?

### Personal Connections:

- Ponyboy doesn't usually like fighting, and only thinks it's okay in cases of self-defense, but the boys disagreed to participate in the rumble anyway. Can you think of a situation in your life, or real life, where someone didn't want to do something, but did it anyway because they felt like they had to in order to be a good friend? Explain.
