Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

I felt compelled to express my interest in the job opening of a Paraprofessional position with your school. Being an experienced and compassionate educational worker, I have gained expertise in counseling, teaching, assisting teachers in lesson planning, and providing excellent childcare. I hold a teaching certificate from ABC University; thus, I have a comprehensive knowledge of assisting students with special needs and maintaining a nurturing and positive atmosphere for them.

I am outlining my major role responsibilities for your reference:

- Take part in the preparation of lecture plans.
- Teach the small group of students under the guidance of senior faculty members.
- Maintain the classroom decorum.
- Ensure compliance with the school's policies and regulations.
- Provide assistance to teachers in planning extracurricular activities.
- Keep a tab on students' progress and performance.
- Maintain the attendance record and the grades book.
- Perform other duties as instructed by the teachers.

I have a creative mindset, detail-driven attitude, superior interpersonal skills, and empathetic nature to establish emotional connect with the students. Performing administrative duties, supervising classroom strength, determining students' learning concerns, and developing effective teaching techniques are my forte.

All the above-mentioned skillset has well-positioned me to uphold school rules and standards. Thus, I am confident to make a great addition to your teaching department.

I appreciate your kind consideration. I am attaching my updated resume for you to have an insight into my prior occupational journey and academic accomplishments. I would be delighted to discuss how my skill set matches your job expectations.

Best Regards,  
[Your Name]

**Supervising Paraprofessionals** Margaret C. Browne,1972      The Paraprofessional's Guide to Effective Behavioral Intervention Betty Y. Ashbaker,Jill Morgan,2015-02-20 The Paraprofessional's Guide to Effective Behavioral Intervention is a comprehensive guide to appropriate behavioral strategies in the classroom based on the Least Restrictive Behavioral Intervention LRBI and Positive Behavioral Intervention Strategies PBIS This highly practical book provides an increased understanding of the processes underlying student behavior in the classroom including motivation a wide range of strategies for establishing and promoting positive behavior as well as counteracting and reducing negative behaviors skills related to nationally recognized standards for paraprofessional competence an understanding of widely accepted principles and practices such as Response to Intervention RTI Set in the context of the legal requirements for paraprofessionals to work under the direction of a professional ESEA and be appropriately supervised IDEA The Paraprofessional's Guide to Effective Behavioral Intervention illuminates research based practical strategies shown to be effective in a wide range of educational settings and which can be implemented immediately and with confidence      *Adapting Early Childhood Curricula for Children with Special Needs* Ruth E. Cook,Annette Tessier,Virginia B. Armbruster,1987 His comprehensive practical book is built on solid theory and evidence based practices from both the fields of Special Education and Early Childhood Education When the first edition was conceived in 1980 the authors encountered students who either had a strong special education background or a strong early childhood child development background Each group had a lot to learn from the other and a lot to contribute to the other The original purpose was to bring together the best from both fields into Early Childhood Special Education The book continues to take a practical activity based approach that is theoretically sound and current It also provides ample detail related to specific intervention strategies that enhance the effective use of embedded learning opportunities within daily curriculum activities and routines Its relatively jargon free readable approach that is built on evidence based practices make it appropriate for a wide range of readers The illustrations of techniques and strategies throughout make it sustainable as a resource It has always encouraged a family centered inclusive approach to working with young children with special needs and their families      *Employing, Directing, and Supporting Paraprofessionals in Inclusive Education Programs for Students with Disabilities* Gail Sweeney Ghore,2003      *Extension Service Circular* United States.
