## **Parenting Your Asperger Child Individualized Solutions For Teaching Your Child Practical Skills:**

Parenting Your Asperger Child Alan Sohn, Cathy Grayson, 2005-02-01 Asperger's Syndrome is a form of autism but with the right guidance these children can go on to live happy fulfilling lives In *Parenting Your Asperger Child* Dr Alan Sohn and Cathy Grayson's groundbreaking Cognitive Social Integration Therapy CSIT offers practical solutions that help parents prepare their children for a fulfilling life of social interaction outside the confines of their syndrome addressing such topics as The six characteristics of Asperger's Syndrome How to identify a child's type of Asperger's and the best approaches for dealing with it Understanding how an Asperger's child sees and interprets the world Replacing inappropriate coping techniques with productive skills How to survive and learn from a crisis How school programs can aid in teaching Asperger children Making changes that last *Parenting Your Asperger Child* Alan T. Sohn, 2005 **The Biting Solution** Lisa Poelle, 2019-07-02 Biting is one of the most aggressive toddler behaviors that parents and childcare providers have to handle Though the first bite can often come as a complete surprise a normally mild mannered child takes a chomp the habit is a difficult one to break This helpful guide provides parents and caregivers with recommendations for prevention immediate intervention and long term solutions and includes a puppet show script and a song that adults can use to help children learn to communicate without biting hitting or other inappropriate behavior A Practical Guide to Autism Fred R. Volkmar, Lisa A. Wiesner, 2009-08-17 Autism is in the public spotlight now more than ever as new research and information appears almost daily Although in many ways this is a positive development it also presents challenges to families and practitioners who want to keep up with the latest developments and are left to sift through new information by themselves to see what is credible and relevant for them Each of us needs a personal research assistant who can determine which information we need to pay attention to and let us know how it might affect our daily work and the children we are living with or serve Since we each don't have our own research assistants on staff I am delighted to recommend this wonderful book by Fred Volkmar and Lisa Wiesner Both of these talented professional leaders have combined their scientific skills and understanding of the field with great practical experience and ideas about how research can be translated into clinical practice The result is a book that provides the best and most comprehensive information about recent scientific developments and a splendid practical guide for how they are being implemented and what we are learning in the process The issues are presented in all of their complexity but translated into language that is clear direct and easy to follow The format also lends itself to understanding the complex issues and their implications through excellent charts question and answer sections and chapters that vary from describing diagnostic issues to stating very specifically how to expand and evaluate the services one is receiving The comprehensive references and lists of additional resources also add greatly to the overall package As a professional dedicated to understanding scientific advances and helping families and teachers to utilize them most effectively I am very pleased to have an ally like this book available I am very grateful to the authors for providing a very credible practical and

relevant addition to our field to help the many advocates and family practitioners to better understand the exciting new developments and how they can be implemented in our day to day work Those taking the time to read through this superb volume will find it time well spent that pays back dividends in many different ways FOREWORD by Gary B Mesibov Ph D Professor and Director of TEACCH Treatment and Education of Autistic and Related Communication Handicapped Children University of North Carolina at Chapel Hill
