**Douglas W. Ayres**

## **College Football Tips Clearance:**

*Undaunted Curiosity* Douglas W. Ayres, 2012-03-12 Enjoy a leisurely cruise in a 54' yacht on the rivers, lakes, waterways and canals of the United States and Canada from New York City up the Hudson thru the Erie Canal to Lake Ontario then zigzag down the St. Lawrence River thru the Thousand Islands to Montreal. The cruise then moves across Ontario and Quebec to Hull and Ottawa on the Ottawa River into the historic 1820s Rideau Canal and its 45 colorful Lock Parks. This spectacular scenery of central Ontario leads back to Lake Ontario at Kingston then via the 55 locks of the Trent Severn Waterway thru Canada's cottage country lakes to gorgeous Georgian Bay. Here the journey turns south to Detroit via Lakes Huron and St. Clair then around Michigan's thumb to Sault St. Marie and Lake Superior. Moving across the Great Lakes to Chicago leads to the Illinois River into the Mississippi. The entire length of that mighty River then is cruised and described. Other tributary rivers explored town by town are the St. Croix, Ohio, Muskingum, Kentucky, Green, Kanawha, Allegheny, Monongahela and Arkansas, most to their head of navigation. The White, Black, Atchafalaya, the West, Gulf Intracoastal Waterway from Morgan City to Mobile and the Tenn-Tom Waterway from Mobile Bay north to Columbus, Mississippi, then follows in detail 190 marine charts and illustrations and 23 pages of color photos provide details of the magnificence encompassed in this book. The scenic wonders and delights of 16,000 miles of America's Waterways are explored and exposed showing off America the Beautiful.

*The Times-Picayune Index*, 2001     **Managing Sport Events** T. Christopher Greenwell, Leigh Ann Danzey-Bussell, David J. Shonk, 2024-06-26 Running a sport event whether it's an international competition or local youth tournament requires acute knowledge and the ability to plan, organize, promote, lead, and communicate effectively. And no other text prepares students for the task as effectively as *Managing Sport Events* Third Edition. With HKPropel Access, while other texts in this space stray into the area of facility management, *Managing Sport Events* keeps its focus where it should be: by providing a thorough grounding of the entire event management process. Beginning with an overview of event conception and development, the text then moves into the principal planning areas of budgeting, marketing, promotion, sponsorships, and legal and risk management. Later chapters focus on key operational areas such as staffing, event services, and logistics, and event day management, and it closes with postevent details and evaluation. The third edition includes new and updated content that incorporates plenty of contemporary real life examples. Insights into how event management has been affected by COVID-19 and by the emergence of social media, sustainability efforts, and diversity, equity, and inclusion (DEI) initiatives. All new content addressing the role of brand ambassadors, social media influencers, and nontraditional media in promoting events and encouraging fan engagement. An updated discussion of event sponsorships and how sport organizations are implementing creative activation strategies, pre-event and game day deliverables, and the latest technologies to maximize exposure and measure effectiveness. An expanded discussion of contracts and other legal considerations such as compliance with the Americans with Disabilities Act (ADA). An expanded section outlining how principles of project management can be

used to effectively plan events New industry profiles that provide insights into key players and noteworthy happenings in event management Related online activities delivered through HKPropel provide robust learning opportunities for students A brand new semester long project in which students plan prepare produce and evaluate a fictional pickleball tournament as well as compile a formal event management plan handbook Scenario based activities in which students make a decision and then see the implications of their choice Mini case studies for each chapter with questions to test comprehension Sample contracts that represent common agreements encountered in event management Practicing and aspiring professionals working in parks and recreation tourism hospitality and sport organizations at all levels youth high school college amateur minor league professional and international will find this book a valuable reference in their roles as event managers Blending traditional business tenets of sport management with the distinct aspects of event management Managing Sport Events Third Edition prepares readers to manage events with efficiency and ease so that fans and participants alike have lasting game day memories Note A code for accessing HKPropel is not included with this ebook but may be purchased separately
