Thomas Elsaesser

Gaming Laptop Box Office This Week:

Business Periodicals Index ,2008 Business Week ,2002 **The Mind-Game Film** Thomas Elsaesser,2021-03-28

This book represents the culmination of Thomas Elsaesser's intense and passionate thinking about the Hollywood mind game film from the previous two decades. In order to answer what the mind game film is, why they exist and how they function, Elsaesser maps the industrial institutional challenges and constraints facing Hollywood and the broader philosophic horizon within which American cinema thrives today. He demonstrates how the Persistence of Hollywood continues as it has adapted to include new twists and turns as well as revisions of past concerns as film moves through the 21st century. Through examples such as Minority Report, Mulholland Drive, Source Code and Back to the Future, Elsaesser explores how mind game films challenge us and play games with our perception of reality, creating skepticism and self-doubt. He also highlights the mind game film's tendency to intervene in a complex fashion in the political moment by questioning the dominant power's intent to program both body and mind alike. *Prescient and compelling*, *The Mind Game Film* will appeal to students, scholars and enthusiasts of media studies, film studies, philosophy and politics. **Billboard** ,2011-07-02 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. **Florida Administrative Weekly** ,1990 *The New York Times Index* ,2009
