Focus On: 100 Most Popular 2010s Fantasy Films Wikipedia contributors, **Focus On: 100 Most Popular American 3D Films** Wikipedia contributors, *Witchcraft* Jennie Woodard, 2025-08-28 From fairy tales and fiction to Tiktok the specter of the witch has cast a long shadow over women and popular culture. *Witchcraft Gendered Perspectives* traces the history of and evolution of the term witch across six centuries. Tracing the history of witchcraft from the publication of the *Malleus Maleficarum* to its contemporary representation and reclamation this volume takes a gendered and intersectional approach to the cultural and historical shifts which have both demonized and democratized the witch online and in public discourse. Amongst these are The witch trials in Scotland England and America Literary and screen re imaginings of the witch The rise of Wicca as an alternative religion. *Witchcraft Gendered Perspectives* is an invaluable resource for graduate and undergraduate students across gender studies queer history religious studies media studies and European and North American history

**Media, Communication and the 2023 FIFA Women's World Cup** Molly Yanity, Danielle Sarver Coombs, 2025-02-27 This book takes a close look at the themes of media and communication in the context of the 2023 FIFA Women's World Cup one of the most attended women's sporting events in history. Featuring the work of leading researchers from around the world the book examines how the tournament was represented through traditional digital and social forms of media and considers how an analysis of media and communications in around and after the tournament can help to illuminate our understanding of key themes in the study of women and sport. The book presents a series of important and fascinating cases including media representation of Muslim women at the tournament analysis of media reaction to USWNT results the role of podcasts in the coverage of the tournament and a social media analysis of sexual violence toward women athletes at the WWC that together form a multi layered picture of a seminal event in the history of women's sport. This book is vital reading for anybody with an interest in women's sport gender and sport the sociology of sport media studies communication studies event studies or sport business and management

**TeenSet, Teen Fan Magazines, and Rock Journalism** Allison Bumsted, 2024-10-15 Since the magazine's first issue in 1964 *TeenSet*'s role in popular music journalism has been overlooked and underappreciated. *Teen fan magazines* often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music. *TeenSet Teen Fan Magazines and Rock Journalism* Don't Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history. Analyzing *TeenSet* across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture. Through its critical commentary and iconic rock photography *TeenSet* engaged not only with musical genres and scenes but also broader social issues such as politics race and gender. These countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly presumed the magazine to be

antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary *Who Makes the Franchise?* Rhonda Knight,Donald Quist,2022-10-27 Fans and the billion dollar franchises in which they participate have together become powerful agents within popular culture These franchises have launched avenues for fans to expand and influence the stories that they tell This book examines those fan driven narratives as wilderness texts in which fans use their platforms to create for themselves while also communicating their visions to the franchises thus spurring innovation The essays in this collection look at how fans intervene in the production of mass media Scholars analyze the negotiations between fan desires for both novelty and familiarity that franchises must maintain in order to achieve critical and commercial success Applying varying theoretical approaches to discussions of fan responses to franchises including Star Wars Marvel Godzilla Firefly The Terminator Star Trek DC and The Muppets these essays provide insight into the ever changing relationships between fandom and transmedia storytelling *Understanding Radicalism* Ernest J. Zarra III,2023-07-25 Understanding Radicalism How It Affects What's Happening in Education and Student's Overall examines and explores the ever growing trend to use education outside groups and social media as agencies of indoctrination and moral suasion to capture the imaginations thus prompting students to question their own racial and gender identities
