Unscaled Hemant Taneja, 2018-03-27 A thought provoking look at the technology that is changing the world of business and the benefits pitfalls and challenges for society as a whole Kenneth I Chenault former chief executive officer American Express Company Throughout the twentieth century technology and economics drove a dominant logic bigger was almost always better It was smart to scale up to take advantage of classic economies of scale But in the unscaled economy size and scale have become a liability Today s most successful companies Uber Airbnb Amazon Salesforce have defied the traditional economies of scale approach by renting scale instead of spending vast amounts of money building it And a new generation of upstarts is using artificial intelligence to automate tasks that once required expensive investment enabling them to grow big without the bloat of giant organisations In Unscaled Hemant Taneja convincingly shows how the unscaled economy is remaking massive deeply rooted industries and opening up fantastic possibilities for entrepreneurs imaginative companies and resourceful individuals Beyond that it can be the model for solving some of the world s greatest problems including

climate change and soaring healthcare costs potentially reversing many of the ills brought on by mass industrialization The unscale wave has only just started To succeed in business today companies CEOs and leaders everywhere must unlearn what they have been taught they must embrace an unscaled mindset *React Material-UI Cookbook* Adam Boduch,2019-03-30 Develop modern day applications by implementing Material Design principles in React using Material UI Key FeaturesUse React components to build intuitive UI elementsExplore a variety of styles and themes in the Material UI framework using React componentsLearn practical React recipes and best practices for building modern web applicationsBook Description Material UI is a component library for rendering UI elements using modern best practices from React and Material Design This book will show you how you can create impressive and captivating modern day web apps by implementing Material Design considerations The book is designed to help you use a variety of Material UI components to enhance UI functionality along with guiding you through React best practices and using state context and other new React 16.8 features You will start with layout and navigation exploring the Grid component and understanding how it's used to build layouts for your Material UI apps Using Material UI components you'll then explore the technique of effectively presenting information In later sections you will also learn about the different components for user interactions such as the text input component and buttons Finally the book will get you up to speed with customizing the look and feel of your app right from creating a Material UI theme through to styling icons and text By the end of this book you will have developed the skills you need to improve the look and feel of your applications using Material UI components What you will learnBuild the overall structure and navigation for your Material UI appPresent simple and complex information in a variety of waysDevelop interactive and intuitive controlsGroup content into sections using tabs and expansion panelsCreate a general page layout with Material UI gridsUse lists for complex data and cards for detailed informationWho this book is for This book is for React developers who want to implement Material Design principles in their applications You will also find this book helpful if you are a developer who wants to build a UI using React components without having to build your own UX framework **Sugar Daddy**

Capitalism Peter Fleming,2018-11-26 What is the connection between the sleaziness of Harvey Weinstein's business meetings and the passionless doctrine of neoclassical economics In this witty and incisive examination of the new economy Peter Fleming argues that they are closer than you might think The quest to rid society of bureaucracy shrink government and burn red tape has certainly made capitalism more human but not in the family friendly way envisaged by free market gurus Increasing informality has led to a capitalism fuelled by limitless exploitation and increasingly seedy methods of management from semi feudal workplace hazing rituals and predatory middle managers with an axe to grind to arbitrary zero hours contracts Uber and perhaps worst of all the compulsory gym session with your boss Fleming dubs this Sugar Daddy Capitalism after the controversial dating app wealthy businessmen use to meet young girls most of whom are struggling with university fees What seems like a creepy outlier is actually a prescient metaphor for our whole economy an

Ian C. Woodward,V. "Paddy" Padmanabhan,Sameer Hasija,Ram Charan,2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don t advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization s advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of urgency and purposefully radical provocation The Phoenix Encounter Method represents the

forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools. The resulting methodology based on analysis of thousands of articles, studies, reports, and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies. Whatever your sector or industry, if you're responsible for your organization's ability to use change as a transformative opportunity, you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you, your leadership, and your organization.
