product The long awaited new edition of the world s most widely used and highly regarded textbook and reference of
emergency medicine A Doody s Core Title for 2019 Tintinalli s Emergency Medicine is THE essential resource for everyone
working in and teaching emergency medicine The Ninth Edition provides the depth and breadth of coverage that reflects the
complexity and expertise needed to practice emergency medicine in today s fast paced environments This comprehensive
text is an important clinical resource for physicians residents and students advance practice providers emergency nurses
EMTs and paramedics It is a necessary resource for in training and board examinations and recertification Tintinalli s
Emergency Medicine covers everything from prehospital care disaster preparedness and basic and advanced resuscitative
techniques to all the significant medical traumatic and environmental conditions requiring emergency treatment in adults
children and neonates Highlights of the Ninth Edition Full color design with more tables than ever to succinctly present key
information Extensive updates to all sections incorporating the latest clinical and evidence based information Online access
to over 100 videos covering a wide range of diagnostic and therapeutic procedures and POCUS for obstetric gynecologic
pediatric musculoskeletal and vascular conditions World class pediatric section on the care of neonates infants and children
Expanded chapters on the management of gynecologic and obstetric conditions and emergencies Updated information on
toxicologic and environmental emergencies Contemporary concise discussion of ED identification and treatment of opioid use
disorders Updated information on procedural sedation Expert advice on the management and care of transgender patients
Latest information available on neurologic and cardiac emergencies From the reviews of the seventh edition Collectively they
have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining
an easily readable and practical resource Last for the inevitable comparison of this current edition of Tintinalli s Emergency
Medicine with other available emergency medicine textbooks available in my opinion Tintinalli s still comes out on top It is
more concise and easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively
than others Just as previous editions did the seventh presents all of the most pertinent and up to date information in a well
organized format that is comprehensive yet easy to read That and many of the attractive new features in this current edition
