## **Microfinance And Poverty Reduction Oxfam Development Guidelines:**

**Microfinance and Poverty Reduction** Susan Johnson,Ben Rogaly,1997 The book emphasizes the importance of studying the local context and then considering the macroeconomic factors which may be operating upon the economy of a particular country Five extended case studies in the Gambia Ecuador Mexico Pakistan and the UK are examined with reference to further aspects of sustainability and impact assessment *Rural Livelihoods and Diversity in Developing Countries* Frank Ellis,2000-06-29 Rural families in developing countries make a living by engaging in diverse activities These range from farming to rural trade to migration to distant cities and even abroad This book explores the implications of rural livelihood diversity for key topics in development studies and for poverty reduction policies The livelihoods approach is gaining momentum and this is the first book to set it out in detail

## **Housing and Finance in Developing Countries**

Kavita Datta,Gareth Jones,2012-10-12 This book explores the linkages between formal and informal housing finance drawing upon the lessons of NGO and micro finance practices Both public and private formal finance institutions have experienced great difficulty in lending below a middle income client group and are often reluctant to lend for the purpose of housing at all This failure of formal finance to filter down to low income households and in particular to women has led various NGOs and community groups to create and adopt innovative finance programmes such as informal savings banks and credit rotating schemes The authors critically assess the impact of these schemes and evaluate links between gender housing and finance

**Microfinance** David Hulme,Thankom Arun,2009-01-13 Microfinance has become an important component of development poverty reduction and economic regeneration strategy around the world By the early twenty first century tens of millions of people in more than 100 countries were accessing services from formal and semi formal microfinance institutions MFIs Much of the initial attention on microcredit came through work on Bangladesh's much lauded Grameen Bank but there are now many different models for microfinance and many countries have substantial microfinance sectors This timely book written by one of the major players in the UK in development economics explores amongst others topics such as microfinance and poverty reduction microfinance gender and social development microinsurance regulating and supervising microfinance institutions Topical and insightful this important text examines what has become a vast global industry employing hundreds of thousands of people and attracting the attention of large numbers of governments banks aid agencies non governmental organizations and consultancy firms

## **Family and Community Interventions for Children**

**Affected by AIDS** Linda M. Richter,Julie Manegold,Riashnee Pather,2004 This report forms part of a project funded by the W K Kellogg Foundation to implement a strategy for the care of orphans and vulnerable children in Botswana South Africa and Zimbabwe with a review of the available scientific information on interventions aimed at children families households and communities *International Labour Documentation* International Labour Office. Empowerment for Poverty Alleviation I. A. M. Makombe, 1999      Tourism, Microfinance and Poverty Alleviation World Tourism Organization, PlaNet Finance, 2005 This publication produced by the World Tourism Organization and PlaNet Finance examines the impact of tourism in relation to poverty reduction strategies in developing countries through the use of microfinance options in tourism projects The report considers seven different approaches for promoting benefits for the poor from tourism development including employment options provision of services and products and tourism taxation the role of small and medium sized businesses and financing tourism through microcredit schemes using the example of rural tourism development in Morocco      New Roles and Relevance David Lewis, Tina Wallace, 2000 Examines the new roles and challenges NGOs confront as they grow beyond service delivery and advocacy Argues for engagement and more effective learning strategies at both global and local levels Written by a dynamic combination of key researchers and practitioners New Roles and Relevance examines the large range of critical challenges facing development NGOs as they struggle to maintain their integrity and independence while simultaneously assuming an expanding role in the fight against global poverty This authoritative book calls for an overall improvement in theory and practice by challenging NGOs to search for greater relevance improved accountability and better performance in the globalized world      Women in Iraq Yasmin Husein Al-Jawaheri, 2008-01-30 Since the removal of Saddam Hussein from power Iraq has seen an explosion of violence and intimidation against women However as al Jawaheri demonstrates in this original and important book this development should not have taken people by surprise The deterioration of gender relations was in fact an overlooked by product of a decade of international sanctions Interviewing women of all different ages and backgrounds al Jawaheri examines the impact of the UN economic sanctions on family relations gender violence domestic responsibilities and employment practices She shows that by restricting womens ability to participate in education and in the labour force sanctions reinforced conservative gender roles She shows how the 2003 war and upsurge in sectarianism intensified this problem and assesses the future prospects for womens rights in Iraq      Teaching and Learning Rural Livelihoods Sandeep Tambe, 2022-01-31 This book synthesizes the conceptual and applied aspects of rural livelihoods as a discipline and collates the analytical frameworks and approaches that have been designed applied and discussed over the last five decades These include the sustainable livelihoods approach with its vulnerability asset construct collective governance of common pool resources livelihood trajectories and poverty dynamics rights based approach and social justice graduation approach for the ultra poor and the resilience framework to address complex risks The book is divided into three parts namely introduction to rural livelihoods synthesis of the present state of knowledge and strengthening the knowledge action pathway At the end of each chapter a set of class exercises is provided to bring about a deeper understanding of these approaches and their application in real life situations The expected outputs from penning this textbook are threefold Firstly it assimilates the rural livelihood works of eminent academicians under one cover Secondly it positions itself as a one stop destination for educators by translating these

concepts into a ready to teach applied format Thirdly it functions as a ready reckoner for young professionals by providing a step by step approach to apply these learnings in real life situations The purpose of this book is to provide a solid foundation to the teaching and learning of rural livelihoods in academia bridge the gap between the science policy and practice of rural livelihoods and finally shape a pool of better informed and equipped professionals in development Special thanks to Himanshu Rohira for his contributions and assistance

**Microfinance, Rural Livelihoods, and Women's**

**Empowerment in Uganda** Alfred Lakwo,2006 *The International Dimensions of Work* Ruth Mayne,1998 Considers the extent to which global economic trends are responsible for changing employment patterns and growing inequality in the UK Even within the constraints imposed by international economic policies there is much that individual governments can do to promote equality and social inclusion The paper concludes with some recommendations for economic policy makers

*Worldviews* ,1998 *Journal of Economic and Financial Research* ,2007 **The Microfinance Banker** ,2001

*Finance for the Poor* Asian Development Bank,2000 Microfinance can be a critical element of an effective poverty reduction strategy Improved access and efficient provision of savings credit and insurance facilities in particular can enable the poor to smoothen their consumption manage their risks better build their assets gradually develop their microenterprises enhance their income earning capacity and enjoy an improved quality of life *Improving the Living Standards of Women Through Microfinance* Augustine Cheruiyot,2002 **Bibliographie Mensuelle** United Nations Library (Geneva, Switzerland),1998 *Savings and Development* ,2005
