Then keep reading! All business owners look for peace of mind concerning the financial aspects of their businesses. But with the current challenges and situations of today's business, they find it difficult to cope with the same, resulting in the vicious circle of never-ending pendencies and reconciliations, further leading to stress and anxiety. This book has come as a light in the dark for overcoming such problems. Through the journey of this book, you will discover that How to make lots of money in business and grow rich by implementing effective cash flow management. Even a non-finance person can get the desired level of practical knowledge of accounts and finance. One can enjoy the experience of financial freedom in life and business without compromising on the front of financial control. Ready-to-use solutions regarding knowing your accurate monthly profit and enhance it through cost reduction techniques. In this book, the challenge of explaining finance to non-finance persons, especially business owners, has been overcome by creating an imaginary character and the problems of business owners are beautifully covered in a most simplified storytelling way. The book consists of fifteen chapters, each one covering one specific aspect of the subject. The author of this book is a Finance Coach CA who is uniquely qualified to explain this subject. This book is a must-read for all Indian business owners to keep themselves away from the finance control related tensions.
