Summary of Henepola Gunaratana's Mindfulness in Plain English Everest Media,2022-06-11T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Meditation takes gumption It is difficult and takes time It also takes energy and determination It requires a host of personal qualities that we normally try to avoid But meditation takes these things and uses them to overcome our inherent unsatisfactoriness 2 The essence of our experience is change Change is incessant Moment by moment life flows by and it is never the same We try to stick each perception into one of three mental pigeon holes good bad or neutral Then according to which box we stick it in we perceive with a set of fixed habitual mental responses 3 The Buddha said that life is suffering Sounds bleak doesn't it It is not though It is actually a lovely way to perceive the world It is a learnable skill not easy but possible 4 The goal of human existence is happiness We are seeking it in many different ways from food wealth sex entertainment and respect But the truth is that we are not really after these superficial goals We are after the feeling of relief that comes when the drive is satisfied [Zen Meditation in Plain English](#) John Daishin Buksbazen,2002-06-15 Written in a warm and accessible style this book emphasizes the importance of receiving good instruction and of finding groups to practice with yet it lays out the necessary steps to practice Zen meditation on your own [Impermanence in Plain English](#) Bhante Henepola Gunaratana, Henepola Gunaratana, Julia
