**MILLIONAIRE MINDSET** Larry Bloomberg, 2020-12-26 Millionaire Mindset is the secret to changing your fortune It's how you're going from mediocre performance to great richness You must first learn how to think sound and behave like a millionaire in order to become a millionaire If that mentality is reached you'll have access to the world's riches If you want to be rich have a fortune of one million dollars and feel financially free then you should start with the millionaire mindset Like so many others in the world I've been brought up with the message Get a good job work hard and you're going to be able to live a modest to decent life My fiancée and I had decent work and we saved a fair amount of money and we lived well But when we started thinking about how we wanted to live and the life we wanted for our future kids and how we wanted to live in retirement we began to realize that we would have to work very hard to save a lot of money And even then we have not been able to live the way we wanted I knew that there was a safer way out I was sure people were living a lot easier And I wanted more than they would offer the usual schedule I decided to have the financial freedom The basic lesson of this law is to be dedicated if you want to be a millionaire When you just have hopes and aspirations you're never really going to be motivated to make the kind of improvements that you need to get the kind of life you want If you want to earn millions you need the skills to earn millions too It has got to be worth it You need to invest in improving yourself to become worth it and you need to spend real dollars and you take it seriously Firstly I want to give a
