The question still remains: will Erik be able to get home safely with the new materials that he is risking his life for? As Erik and Steve go on terrifying adventures, they may even find something more exciting than what they were looking for in the first place. Erik Enderman embarks on his third adventure in this story Erik Endermen 3 Legend of the Endermen's Treasure. In the past, Erik has been focused on stealing blocks, making buildings, and selling things made out of gems in his shop that he has opened with Steve. The gem shop is booming. It might be going a little too well though. When Erik and Steve run out of gems, they need to find a way to get more of them. That's when Erik stumbles across an ancient Endermen legend. Clues are hidden everywhere and challenges are at every twist and turn in their journey. Erik and Steve must team up once more to try to find the hidden treasure of the Endermen. Erik and Steve will come across mobs that they have never fought together before. They will explore new areas of Overworld and the home of all of the ancient Endermen. Will the mobs try to help him or will they only get in their way? Will they be able to do it or will they be defeated along the way? Is the legend just a myth or will Steve and Erik be richer than they have ever dreamed? They would be! All of these questions will be answered in the third volume of Erik Enderman's diary.
