The NHL's Mistake by the Lake Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it *Too Many Men on the Ice* John G. Robertson, 2018-07-31 Entering the 1978-1979 season the Boston Bruins had been one of the best teams in the National Hockey League for more than a decade Yet they could not shake the postseason jinx the Montreal Canadiens held over them the Habs had ousted them in 13 consecutive playoff series going back to 1940s The Bruins wanted one more shot at their nemeses after coming up short in both the 1977 and 1978 Stanley Cup finals They got their chance in the semifinal round Led by the colorful but embattled coach Don Cherry the underdog Bruins played seven heart stopping games Victory seemed within their grasp but was snatched away with an untimely penalty in the final minutes of game seven The author looks back at the season from opening night at Boston Garden to the catastrophic conclusion at the Montreal Forum with detailed accounts of the semifinal games and a post mortem of the infamous bench penalty *Philadelphia Flyers 1999-2000*, *The New York Rangers* John Kreiser, Lou Friedman, 1996 In *The New York Rangers Broadway's Longest Running Hit* Ranger fans can savor the legendary feats of such star skaters as Ed Giacomin Brad Park Andy Bathgate Rod Gilbert and Mark Messier Each of the 70 easy to read four page chapters reveals tidbits about Ranger hockey never before available in book form The New York Rangers and Madison Square Garden opened up their archives to reveal numerous rarely published photographs Authors John Kreiser and Lou Friedman and NHL editor John Halligan have developed a book that is sure to become a collector's item *Brian McFarlane's World of Hockey* Brian McFarlane, 2001-09 Hockey Hall of Famer and bestselling author Brian McFarlane sums up his passion for the game in a book every hockey fan should read This is the true story of hockey as it has been played and reported for the last 40 years For the first time McFarlane shares his own story as a hockey insider He goes behind the scenes of Hockey Night in Canada telling us what it was like to work with Dave Hodge Don Cherry Dick Irvin Danny Gallivan and others He reveals his many run ins with the notorious Harold Ballard and recounts interviews with Gordie Howe Wayne Gretzky and dozens of other hockey greats and not so greats And for the first time McFarlane shares his childhood memories including how his dad wrote the Hardy Boys books just to pay the bills and how meeting legendary Leaf Syl Apps was the beginning of his own life in hockey *Sports on New York Radio* David J. Halberstam, 1999 Radio is purely the announcer's medium Accordingly most of the best sports broadcasting has been done not on television but on radio David Halberstam

writes from the knowledgeable and nuanced perspective of one who practices respects and understands the craft and its history Bob Costas NBC Sports Some of my friends and associates do not believe there was civilization before television but I assure them that listening to Red Barber on radio from Ebbets Field or to Marty Glickman from Madison Square Garden was better than watching television It was magic Sports on New York Radio brings back memories of that magic Reading about the many gifted radio voices who covered the Dodgers Yankees Giants Rangers Jets the fights and so much more reinforces my early conviction that I would never be a broadcaster How I made it to even the brink of such company still baffles me Dick Schaap ABC News The Sports Reporters ESPN I grew up with Red Barber Mel Allen and Marty Glickman They were warm friendly great voices Through the radio they brilliantly linked the fan with the game David Halberstam captures the colorful history and many great memories of sports on the radio Robert Merrill 1 1 2 New York Yankees New York Metropolitan Opera The next best thing to sports on radio is reading about the perfect marriage of sports and radio Halberstam takes us there The information is riveting the anecdotes hilarious Radio lives in these pages Vic Ziegel Columnist New York Daily News Sports radio in New York has spawned many broadcast legends and David Halberstam has captured them in his thoughtful book David W Checketts President and CEO Madison SquareGarden **100 Things Senators Fans Should Know & Do Before They Die** Chris Stevenson,2018-10-02 Most Ottawa Senators fans have attended a game at the Canadian Tire Centre seen highlights of a young Daniel Alfredsson and remember exactly where they were when the team reached the Stanley Cup Final in 2007 But only real fans know all the components of the trade which landed Jason Spezza or how to get a seat at Sens Mile 100 Things Senators Fans Should Know Do Before They Die is the ultimate resource guide for true fans of Ottawa hockey Whether you re a longtime member of the Sens Army or a new supporter of Erik Karlsson this book contains everything Senators fans should know see and do in their lifetime **The Sport Americana Hockey Card Price Guide** James Beckett,1994 The hockey card explosion of 1990 resulted in the production of 12 major sets and precipitated the need for a separate guide Cards issued from 1910 1993 are featured The introduction is written in English and French **Chill Factor** David Paitson,Craig Merz,2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from

the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
