Hebrew Association (Kansas City, Mo.),1930      Comeback Moms Monica Samuels, J.C. Conklin, 2007-05-01 What happens  
when an educated professional wants to become a stay at home mom but not end her career forever Here is a book for the  
millions of moms who want to do what's best for their families and for themselves Monica Samuels and J C Conklin show  
what to do when you're ready to leave work to be a full time mother how to maintain contacts while away from the job and  
then how to execute a successful reentry into the workforce anywhere from one to twenty years after you've left Comeback  
Moms is filled with anecdotes and advice from economists career counselors employers and of course mothers who have  
made the transition from the career track to the mommy track and back again The authors distill the wisdom of the experts  
and many high profile women including Ambassador Karen Hughes Secretary of Education Margaret Spellings and former  
Texas Governor Ann Richards into a three tiered battle plan to help any woman get through this life changing process and  
come out ahead You can't fall into the trap of thinking you have to do it all or can do it all You have to take advantage of  
opportunities when they're offered Anne Richards former Governor of Texas Millions of educated professional women are  
quitting their jobs to stay home and raise their children That would never be you right You worked hard for your degree and  
even harder to get to this point in your career Quitting now even for a few years would kill your career Right That's what  
Monica Samuels thought when she found out she was pregnant and boy was she wrong Once you have a baby your life  
changes in ways you'd never imagine Some of your friends and family members may think you've gone a little crazy crazy  
enough to leave a salary and paid vacations to stay home with your child Before you go storming into your boss's office to  
announce your departure read this book There's more to quitting than saying the words There's strategy involved Over sixty  
percent of professional women who leave work to raise children want to go back into the workforce someday If you even  
think you might want to go back to work be it in one year or twenty you need to lay the groundwork now for a successful  
reentry or your options will be limited If you do a little planning you can reposition yourself professionally and have the  
choice to one day get back on the same career track shift gears accelerate or change careers entirely And if you've already

been out of the workplace for several years and never thought you'd go back you'll learn about the best strategies and resources for jumping back in Comeback Moms is a practical commonsense approach to career planning for all mothers Monica Samuels and J C Conklin examine every conceivable angle and obstacle to help you make the best decisions possible before leaving your job during your time at home and once you decide to return to work They offer advice on how to keep one foot in the professional pool when and if it's best to go back to school setting realistic expectations when re-entering an old career helping your children adjust when you do go back and on the logistics of rebalancing marital power when a spouse leaves or re-enters the work force It's all here in an invaluable guide for every woman who wants it all
