OUR TURN Michael P Buckley, 2013-11-14 Anna a hard working businesswoman wasn't looking for love when a car accident introduced her to Bobby. He was all she wanted in a man and most men would have bailed out when unimaginable suffering knocked on her door. Instead it made their love stronger. Unknown to her God helped arrange the accident to bring them together. After suffering a horrific abduction, nearly starved and beaten to death together with the help from above, Anna and Bobby create the largest organization of its kind in the world. OUR TURN takes over where local governments fail: corruption, rules, and police no longer help. They step in to save people in need and give them a second chance at life. The organization will take any request for help throughout the world but they can respond only in a few cases. If OUR TURN responds to a request, the opposition is destroyed at the cost of many security members losing their lives to save others. They are limited to whom they can help because it is funded by donations. Their love encounters many obstacles but they still find time for one another. Words 50,024. Bankers Monthly, 1923 Finance 101 Danny Singh, 2012-11. No Credit, Bad Credit, Average Credit. Just Want To Learn About Finance. Well, congratulations because you have found the right book. Not even the table of contents can show all the lessons contained within this book meant to help consumers fight all types of financial problems, just as Danny Singh fights for his mother, including avoiding a foreclosure, reclaiming a repossessed car, fixing credit, avoiding deceptive loans, as well as checking accounts filled with fees and getting denied credit applications approved. In response to the student loan crisis looming in America and as a community college student himself, Danny advocates going to a community or state college and doing the maximum number of classes is the best financial decision that can be made versus getting into 100,000 of debt. Without needing bogus and expensive credit repair agencies, Danny will emphasize the most effective debt repayment plans and methods to save money on everyday purchases, allowing for consumers to be debt free in months instead of years. Besides student loan debt, Danny expresses credit unions are the solution for consumers to effectively pay off any type of debt, such as credit cards, auto loans, and mortgages. Being free of debt will cause their insurance premiums to decrease and increase their chances of better employment. In addition, consumers will be able to enjoy lives free of bankruptcy. Saving for retirement and other financial goals will be a breeze. Despite the financial conditions of a consumer or the economy, perfect credit is never impossible, and Danny proves this in Finance 101. The Whiz Kid Perfect Credit Guide.
