*Power Politics* Darrell M. West, 2022-08-09 Curing the causes and consequences of Trumpism It's no secret that the United States faces extraordinary political and societal challenges even as it recovers from the COVID 19 pandemic Political polarization and extremism are the most apparent symptoms resulting from long term economic and social

inequities as well as a toxic information ecosystem It is easy to blame Donald Trump for the sad state of American democracy After all he abused his executive authority spread false claims and even incited violence But Trumpism is almost certain to outlast Trump himself The grievances he exploited and the aggrieved to whom he appealed existed well before he became president and likely will endure after he is gone from the political scene The current political atmosphere is poisonous for those who operate on the basis of facts reason and logic It is time to step back from this dangerous precipice and reflect on the causes of the serious threats to American democracy procedural justice and a reason based society With polarization now entrenched and authoritarianism gaining strength no one should assume that facts somehow will triumph over falsehoods and reason will prevail over emotion Drawing on his personal experiences in the D C policy world Darrell West offers advice for protecting people organizations and the country as a whole from our contemporary challenges This book makes the risks to democracy understandable by explaining specific threats and offering concrete ideas for ameliorating them It will appeal to anyone interested in American politics democracy elections mass media technology and governance

*The Zero Transaction Cost Entrepreneur: Powerful Techniques to Reduce Friction and Scale Your Business* Dermot Berkery, 2023-08-08. Harness the power of zero transaction costs to ensure long-term success in every new business proposition. For many business professionals, the daily to-do list is hard enough to stay on top of, let alone coming up with the big ideas necessary to take their company or a whole economy to the next level. But if coming up with those ideas or finding start-ups that do is your job, then *The Zero Transaction Cost Entrepreneur* is an absolute must-read for you. With more than 20 years of experience and an extraordinary record of success stories, to his credit, venture capitalist Dermot Berkery has seen thousands of business plans, and in these pages he shares the key ingredient these successes have in common: Smart transaction cost economics. Simply put, these businesses lower or eliminate transaction costs for their customers. Here's just one of the real-world examples you'll find within: Blockbuster Video scored big by making movies easily available to rent; that's a reduction in a transactional cost. Netflix then removed another transaction cost: a trip to the store, sending DVDs through the mail. They tackled other transaction costs: limited choice and wasted time by moving to streaming. Finding and loosening these transaction costs creates extraordinary opportunities in every field and industry for entrepreneurs and venture capitalists, to corporate strategists and R&D heads. In these pages, you'll discover how transaction cost economics can

work for you in chapters that include Why Do Other People Come Up with All the Brilliant Ideas The 8 Major Categories of Transaction Costs Makers of Products Need to Transform them into Services Why Are Transaction Costs Falling Rapidly Right Now The Trifecta of Accelerators Idle Assets the IoT and Marginal Cost Pricing Mayra Nicky Gonzalez,2025-07-17

A haunting exploration of female friendship desire and memory set against the sultry backdrop of Florida s swamplands It s been years since Ingrid has heard from her childhood best friend Mayra a fearless rebel who fled their hometown of Hialeah a Cuban neighborhood just west of Miami for college in the Northeast But when Mayra calls out of the blue to invite Ingrid to a weekend getaway at a house in the Everglades she impulsively accepts From the moment Ingrid sets out for the house danger looms The directions are difficult she s out of reach of cell service and as she drives deeper into the Everglades the wet maw of the swamp threatens to swallow her whole But once Ingrid arrives Mayra is in many ways just as she remembers with her sharp tongue and effortless seductive beauty still thumbing her nose at the world Before they can fully settle into the familiar intimacy of each other s company their reunion is spoiled by the reemergence of past disagreements and the unexpected presence of Mayra s new boyfriend Benji The trio spend their hours eating lavish meals and exploring the labyrinthine house which holds as much mystery and danger as the swamp itself Indoors and on the grounds time itself seems to expand and Ingrid begins to lose a sense of the outside world and herself Against this disquieting setting where lizards dart in and out of porches and alligators peek up from dark waters Gonzalez weaves a propulsive unforgettable story about the dizzying power of early friendship and the lengths we ll go to earn love and acceptance even at the risk of losing ourselves entirely Get It Together: Ditch the Chaos, Do the Work, and Design your Success Lauren Berger,2018-10-19
