

COMPARE AND CONTRAST

Read the passage carefully. Identify if the given statements compares (CE) or contrasts (CT) the two characters.

Jen had a best friend whose name was also Jenn but with a double "n." They had beautiful brown eyes and blonde hair. But Jenn had long, wavy hair, while Jen had short, straight hair. They went to the same school and studied in the same class. They enjoyed playing sports together. They both excelled in their artistic talents, with a knack for drawing. One of them had a cat as a pet, while the other had a dog. They had different favorite colors, adding a unique touch to their friendship. They were responsible and often helped each other with homework. Coincidentally, their birthdays were in the same month. They loved their pets very much. Jenn took her cat wherever she went, while Jen's dog was her constant companion. However, tragedy struck when Jen forgot to close her dog's cage one day, and that was the last day she saw her pet. On the other hand, Jenn's cat brought joy to her life, and they played together every night.

1. They studied in the same class and school. _____
2. They have the same hair color. _____
3. One of them had a cat as a pet. _____
4. They were responsible. _____
5. They took their pet wherever they went. _____

Teaching Multilingual Students Through Culture and Language Tala Michelle Karkar-Esperat, 2025-12-08 This book serves as a professional development guide designed for elementary school teachers to help them center multilingual and bilingual students' language and culture in the classroom by recognizing and harnessing their students' assets through semiotics and self-discovery. Its purpose is to promote compassionate education, fostering empathy and connection to students' identities in response to the known problem of student disengagement and the challenges in teaching reading and writing. The guide showcases planned and tested modules to facilitate student success in diverse learning environments and each module includes resources, sample lesson plans, and hands-on experiences designed to help students find joy in learning. Emphasizing strategies intended for learners with varied abilities and interests, this book focuses on students' identities and cultures as they are related to race, language, heritage, and semiotics. It is an ideal resource for in-service elementary school teachers interested in incorporating culturally responsive teaching practices into their classrooms as well as for preservice teachers who want to focus on students' cultures, languages, and assets. Teachers, students, and the student community share the joy of knowledge together through this guide.
