Strategies and Promotion of Innovation in Regional Policies Around the Mare Balticum Max Høgeforster, Baltic Sea Academy, 2012 A sound promotion of innovation is essential for the future of the Baltic Sea Region in particular to support the small and medium sized enterprises. For this purposes stakeholders from medium sized businesses science politics and administration met at the seventh Hanseatic Conference in May 2012 in Hamburg. For two days the participants discussed about Innovation and innovative strategies in the regional policy around the mare balticum to further strengthen the region. It became evident that a sustainable promotion of innovation demands a closer cooperation within the regions on a transnational level but also between administrations and especially between companies and R D institutions. The Baltic Sea area will only be one of the most innovative and strong regions in the world if the bordering countries build a unit. This publication included the presented papers and summarizes the discussion of the participants

An Introduction to Film and TV Production Joseph Richie, Karen Russell, Airielle J. Taylor, Tameka Winston, 2022-07-29 This streamlined step by step guide provides students and newcomers in the field of media with an overview of the complete production process from conceiving of an idea to marketing the final product. Readers will learn what it takes to create a concept, develop it and then market and sell it. Chapters discuss pitching, producing, marketing, visionary concepts, financing and distributing content. Focused on traditional and non traditional platforms including social media websites and online advertising, this book explores currently evolving media platforms, ideas and practices and provides examples of how to navigate these unique creative processes. Interviews with business executives offer insider tips and tricks to creating a marketable project. In this book you will learn how to distinguish between a great idea and a marketable idea. Condense your concept into an effective elevator pitch. Build a basic business plan. Create a marketing strategy, be it traditional, digital or both. Establish a personal brand and portfolio that will grab the right attention. This book will be of great help to the student, independent filmmaker and content creator looking to understand the process of getting their work produced, distributed and marketed
