his or her math class were harder and preparation for other middle school math contests Most students basically everyone except students in MA schools that participate in IMLEM but not in Mathcounts would prefer the newer IMLEM Plus edition with a purple cover rather than the blue covered edition listed here The newer purple version has an additional chapter covering extra material that students who aspire to do well in Mathcounts will want to know *McDougal Littell Middle School Math* ,2003-03-26 **Middle School Math, Course 3** McDougal Littell Incorporated,2004
