

An impressionistic painting of a rainy city street at night. The scene is characterized by a cool, blue-toned palette with warm, glowing highlights from streetlights and distant buildings. In the foreground, a person holding a dark umbrella is walking away from the viewer on the right side of the frame. The street is wet, reflecting the ambient light. Bare trees line the sidewalks, and a building with a lit-up awning is visible on the left. The overall mood is quiet and atmospheric.
