

# *Mike Fink* Answer Key

1. What truth is this tall tale based on? (Mike Fink's Photo) It is based on the old days when America was a wild young country. Riverboats carried cargo down the Mississippi, Willamette, and Ohio rivers. Travelling back upstream was dangerous because they had to go up the heavy boats against the current. The men feared the boats about as much as the strongest, about the dangers they faced, and the critics they faced.
2. Who is tall talk Fink? He is a fictional character but the tall tale says he was the most famous of all the river men.
3. Why does Mike think Mike was destined for a life of action? He passed Beale's shut up Indians, and so when he was only two days old he ran away from home. There were rumors that he had joined a troupe of acrobatic frogs that leaped high from ground to ground.
4. Who does Mike know this part of the story is a tall tale? Shubles can't even walk at two days old!
5. Who did Mike meet when his grandfather forced him to go back home? The Indians!
6. How did Mike discover the Indians? He leaped up and down on the land with such force that he catapulted through the road. On the next leap, he rocketed high enough to see the vast network of rivers to the west. There he spotted the Indians and heard the men's hearty sangs.
7. Who does Mike know this part of the story is a tall tale? No one could leap that high.
8. Mike and Mike's mother decide they would join a wagon train heading west? She knew her son would be much happier if she raised him on the frontier instead of off in the family home near the Allegheny Mountains.
9. Who did Mike meet when there was sand? He kept the place of the ox and helped his mother clear the land.
