GENRE Children's Adventure An Unofficial Minecraft Book for Kids Ages 9-12 Preteen Book 2 The Mysterious Island Bill has just begun to get used to the life alone in the island. While it's not the most ideal way of life for him a man must learn to survive on his own. Tom's journal has become his greatest companion through the days as a wellspring of knowledge and guide that make his life in the island easier than one can imagine. Home is still a place that Bill wants to go back to and he still dreams of his life before the island. One day he stumbles upon some visiting natives a pair of tribal individuals who were visiting to gather some goods from the island. Bill asks for their aid to get back home but alas it's due to the island's power that Bill can't go home just yet. In order to break the series of misfortune Bill must find Tom in order to give the journal back and only then can Bill truly get home. However the big question is where is Tom. With so many secrets sprawling about in the island and the promise of home becoming more and more complicated Bill must rise to the occasion to prove that he can get through the obstacles presented to him. With the aid of natives can Bill truly find where Tom is. And will the powers that ties Bill to the island be severed once he meets Tom. There was only one way to find out and the first step is to find Tom. Book 3 The Journey Ends Bill has made his way through the Nether. Guided only by the hearsay of the villagers along with his gut feeling Bill must wade through numerous undead and walk through the thin paths of land between lava. No matter how many times Bill wakes up to the Nether it will never grow on him. Despite that his drive to get home gives him the willpower to press onwards. With skeletons and endermen and fortresses to explore there are surely a lot of things on Bill's plate. As Bill continued to make his way around the Nether he stumbles upon Tom's house which could give him clues. Letters left inside chests are his guide to locating the previous settler of the island and sheer determination keeps him from succumbing to the weight of these obstacles. He fends off numerous skeletons and endermen to get from one place to the other hoping to find Tom in one piece. Armed with the weapons he's crafted along with the guidance of what he's learned from the past few days Bill tries his best to outwit all the dangers of the Nether. Had he prepared enough for this journey. Will he be able to find Tom in due time. And if he does manage to find the writer of the journal can they escape the treacherous nature of the beasts of Nether. There's only one way to find but first Bill must make his first step into the unknown world and find the man that could help him home.
