

# THE TECHNICAL STUFF

It is available on a number of platforms. You can play on both either PC or Mac, on Xbox, or on mobile devices. The game only depending on which platform you use.

Play alone in single player, or ask a friend to show you what a player. For the purposes of this book we have assumed you're out on your own in single player.

## MODE OR SURVIVAL MODE

be asked to choose either Creative or Survival mode.

Mode: Creative

Game Mode: Survival

Mode, no monsters will attack you, you'll be able to fly and have a full inventory of items. This is great if you want to build amazing creations and buildings without

down by creepers every night.

In Survival mode you get to have lots of fun fighting off monsters. You can choose to play in different levels of difficulty. If you're a beginner it's best to start off with normal difficulty, but you can also choose easy, hard, or peaceful.

The decision is yours!

## LEVELS

As you play you will earn experience points, which will enable you to level up. The green bar shows your current level, so you can see how close you are to reaching the next level. Experience points are earned when you mine items and kill monsters. Experience orbs will appear and you can pick them up.

**DID YOU KNOW?** There are 17 experience points to each of the first 16 levels of the game. Once you reach level 17, the number of points needed to rank up increases with each level you achieve, making progress more difficult.

**TIP:** Experience points will come in useful when you learn how to enchant items to improve their performance. You can use your experience points as a method of payment to enchant objects like tools, weapons, and armor.
