Australian National Bibliography ,1971 Darwin Spitfires Anthony Cooper,2022-08-15 The Japanese air raids on Darwin on 19 February 1942 are well known to most Australians but what happened afterwards For almost two years the airspace over north west Australia was routinely infiltrated by Japanese air raids tallying about 70 in total The 1942 43 air raids on Darwin constituted the only sustained and intensive direct assault on Australian territory in the whole of World War II Telling the story of the RAAF s No 1 Fighter Wing composed of both Australian and British Spitfire pilots Darwin Spitfires explores the little known 1943 season of air combat over the Top End recovering important aspects of Australian history It

brings the heroic exploits of the skilled pilots who did so much to protect Australia to the world's attention. In this anniversary edition Anthony Cooper offers a detailed and fascinating history of this unparalleled attack. Absorbing and compelling, Darwin Spitfires brings this little known chapter of Australian history out from the shadows. The book bridges the gaps that often exist between park designer and park user, between landscape architect and park board, between administrators and maintenance staff. Readers will enjoy the witty and lively presentation of the principles that govern skillful plan interpretation and effective site design, addressing the modern-day challenges facing landscape architects, park administrators and personnel and the communities they serve. Readers will be better able to identify opportunities and generate ideas for building partnerships to help conceive and implement park projects. The authors engage the reader in thought-provoking discussions about multiple use, concepts, nature preservation and energy conservation, the increasing importance of cost-conscious budgeting, the value of good design and durable construction and the latest in computer-assisted park design and maintenance. **Darwin Spitfires: The Real Battle for Australia** Anthony James Cooper, 2011. **Water Resources and Effects of Development in Hernando County, Florida** J.
